A few real facts about your future.

You know you have the ability. You want the chance to put it together. The Navy is a good place to start.

You have over 70 career fields to choose from...and you can learn one of over 300 different skills.

And you get on-the-job training to go with your classroom work. And you get paid while you're learning.

Of course, you have to earn it. You have to measure up to high Navy standards and show a willingness to do your share of the housekeeping chores.

But when you're finished, you're ready to make it with a career...in the Navy or somewhere else later on.

The opportunity is for real... and so are we. NAVY

If you can deal with it...see
