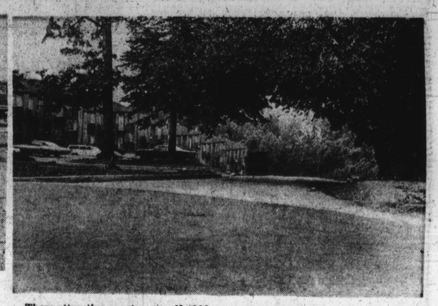
Its time to play AFRO Clean Block Trashball

Why must the entrance to Mondawmin have this depressing empty lot? Who's responsible? This is view from Gwynns Falls Parkway looking toward Reisterstown Road.

Clean Block needed and wanted. Why must we have this trash covered lot between Clendenin, McCulloh and Madison looking towards North Ave.?



These attractive apartments off 4000 blk. Bonner Road are marred by dumpsters and lack of grass. Onions to the owner.

ORCHIDS

Mrs. George O. Holley of 2100 blk Bryant Ave. has a green thumb and a big, big heart. This week she called the AFRO Clean Block with hundreds of Petunia seedlings, Snow on the Mountain and others.

Mrs. Holley asked us to distribute the plants to needy blocks having trouble getting live plants to beautify their blocks.

Because of this kind neighbor, window boxes have been supplied with plants on Division, Baker and Richland Avenues.

WALBROOK

The Walbrook Community Association will meet Tuesday, June 11 at 7 p.m. at Coppin State College to discuss matters affecting the community during the summer. Mrs. Inez Redmond is chairman; James Murphy, co-chairman; Geneva Nall, secretary; and Matthew Robinson, human relations.

We are hopeful they will join the AFRO Clean Block in protesting the lack of grass and landscaping on traffic islands and lots surrounding Mondawmin. (See picture this page).

ONIONS

The residents of the 2800 blk of Ellicott Drive are concerned because of lot behind their home has about 50 cars and trucks operated by Bloomingdale Repairs, 1300 blk of Dukeland.

The concern of neighbors is because huge rats nest in the seats of abandoned cars and can be seen boldly walking around in day light.

MORE ONIONS

Neighbors in the 2900 Westwood and the 2900 W. North Ave. have been trying to get their alley cleaned. They piled trash as instructed but it's still setting. Help!

They are especially concerned about a truck, illegally parked which could fall over on a child or be set on fire by children playing near it. They report rats as big as your arm.

A clean block is one in which steps and sidewalks are washed once a day and the street kept free from trash.

Woodwork is kept free from fingerprints and vestibules are scrubbed.

Windows are kept clean and curtains hung evenly.

Garbage and trash cans are removed as soon as emptied.

Window boxes have flowers in them as well as on the porch

No one sits at the front window or on the front steps unless his clothing is neat and clean.

Loud taking or any other disturbance which annoys others is not permitted.

A beautiful block must have flowers in it and must be clean, both back and front.

WINDOW SIGNS

One hundred per cent cooperation of the block residents will be attested by the window signs as well as at the improved appearance of the block itself.

EXPLANATION

A block is a row of houses between two cross streets. For the purpose of this campaign, a block includes the houses on both sides of the street.

There must be three or more houses before there is a block.

JUDGES

Judges appointed by the director, will choose the best block on these counts (1) Appearance of block at time of inspection (2) improvement of block over what it was when contest began. (3) The beauty of the flowers.

Judges may make as many inspections as they see fit in case of delay, dispute or contest, the director's decision will be final in call cases.

PRIZES

Special certificates of merit will be given to all persons recommended by the captain.

There will be a prize and other gifts.

In many blocks a party is given for all those who worked.

BLOCK ORGANIZATION

1. The captain must try to get all persons in the block to sign up and send their names to the AFRO-AMERICAN.

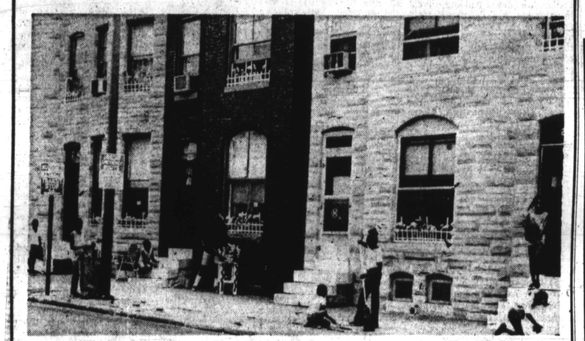
2. He or she must call a meeting of all adults and children and elect a president who will act as advisor.

3. Have a secretary, who will write down what is done at each meeting and send reports to the AFRO-AMERICAN.

4. Elect a block inspector, who will see that no trash accumulates anywhere in the block.

5. Elect a marshal, who will call out the clean-up brigade at a definite time each day, so that by all working together at the same time, the block will soon improve in appearance.

AFRO Clean Block Needs You!



Thousands of youngsters willingly volunteer to clean-up their blocks in the AFRO-AMERICAN's annual Clean Block Campaign.

This much needed drive helps rid our surroundings of unsightly litter and filth.

Each year it is necessary to establish a Clean Block Prize fund to buy paint, flowers and window boxes for needy blocks and reward the youngsters at the close of the campaign.

Can we count on you to play an important part again this year? All contributions will be acknowledge in the AFRO on the Clean Block page. Make all checks payable to AFRO Charities; it's tax deductible.

Sincerely yours,
Mrs. Ida Peters
