design and planning professionals. The School exposes its students to

Where do you go

To get advanced education in a civillan school, you need brains, determination, and money. In the Navy, all you need is brains and determination.

The Navy has training in over 60 career fields -everything from aviation mechanics to nuclear Navy school with nothing but his own brains and come out with a skill he can use for life. It Isn't easy. Standards are high, and often there's a

waiting period before acceptance. But it you make it, you'll be trained and working in the field of your. choice. You'll travel, make new friends, get thirty days vacation with pay. And, with the Navy Campus For Achievement, you'll have a chance to earn college or vocational credits-right in the Navy. Your Navy recruiter has all the details. Call 800-841-8000 toll free. The Navy. If you've got the brains but not the bankroll, it's the place to be.

THE NUCLEAR NAVY. IT'S NOT JUST A JOB, IT'S AN ADVENTURE.
