City-county concert to be given Dec. 21

The City-County Christmas Concert, now in its third year, is planned this holiday season Dec. 21, beginning 8 p.m., at the Lyric Theatre.

The program, which brings together a chorus of 200 city and county high school youngsters, is jointly sponsored by the offices of the Mayor of Baltimore City and the Baltimore County Executive.

Concert conductor is William Curry of the Baltimore Symphony Orchestra.

Seating for the free concert is on a first-come, first-served basis.

Special guests at the concert will include Mayor William Donald Schaefer, Baltimore County Executive Ted Venetoulis, City School Superintendent Dr. John L. Crew Sr., and County School Superintendent Dr. Robert Dubel.

City Schools' Coordinator of Music Prentis Nolan, a concert planner, last year said at the conclusion of the performance: "This was one of the finest student efforts presented on the Baltimore scene during my tenure."

Christmas at Poe House

"Christmas at the Poe House" is the theme of the open house sponsored by the Edgar Allan Poe Society Sunday, Dec. 18. This Yule event will mark the closing of the Poe House restoration.

The public is invited to attend the candlelight tours from 2 to 6 p.m. Christmas decorations will be on display throughout the house. Refreshments will include hot apple cider and cookies. The admission is free. However, donations will be accepted for restoration.

The Edgar Allan Poe House is located at 203 N. Amity St., six blocks west of Westminster Church.

For more information, call 675-7973 or 732-8649 in the evening.

City selling live trees

Buy a living Christmas tree during Happy Harbor Holidays at the Inner Harbor, Dec. 18 from 1 p.m. until 8 p.m. and Dec. 19 to 22 from 5 p.m. until 8 p.m. The program is called "Tree Cycle."

Everyone buying a live tree will be given a Christmas tree ornament.

The city tree ornaments are silkscreened with a live Christmas tree and the inscription "Baltimore, 1977."

Mayor Schaefer said, "The ornaments are an added incentive to buying living Christmas trees, they are the kind of ornament that people like to display all year round."

"The "Tree-Cycle" program is a way for anyone to give a tree to the city for all to enjoy.

A person buys a living Christmas tree at Happy Harbor Holidays, enjoys it during the season, and then on Jan. 7, 1978, brings the tree to Belair and Chesterfield Roads between 10 a.m. and 3 p.m. for planting. Each tree donated in this way is tax deductible.

Tree Cycle began last year with 176 trees donated to the city for along the Baltimore National Pike.

This is a T.I. Swartz GRADE 4 SUIT.

Professional suit men classify suits according to the quality of the fabric used, and the amount of handwork that goes into the construction. They are 4 basic grades of suits: 1, 2, 4 and 6. The higher the grade, the better the quality . . . and the higher the price. A GRADE 4 SUIT normally sells from $225 to $275, depending on the maker and where you buy it.

Most suits on the market today are not GRADE 4 SUITS. They are only grade 1 or grade 2. Yet, many of these lower-grade suits are surprisingly expensive. If you're paying GRADE 4 prices, you should be sure you're getting GRADE 4 quality.

T.I. Swartz makes a bonafide GRADE 4 SUIT. So do the other suit makers listed below. Ours sells for $75-to $125 less, because we're a factory-retail store. We make our own GRADE 4 SUITS in our Baltimore factory and sell them to you at the low factory price.

Compare Our GRADE 4 SUIT Construction and Prices with Hart, Schaffner & Marx, Greif & Co. and Southwick.

Christmas SHOPPER'S GUIDE

County bad weather policy

With the onset of the inclement weather season, Baltimore County parents and students are reminded of the Board of Education's policy regarding the closing of schools due to bad weather.

If parents are in doubt whether or not schools are open, they should tune to any of the major radio stations in the area. These stations will be announcing all information concerning the closing of schools. Parents are asked not to contact the radio stations or the individual school. This will only hamper the information process.

In the event of bad weather and hazardous road conditions throughout the county, all public schools may be closed for the entire day. The decision to close schools is made prior to 6:30 a.m., and radio stations are immediately notified.

Sometimes weather conditions are such that it is not necessary to close schools all day. In these cases, it is decided that schools should open one or more hours late. Announcements to this effect will be made beginning at 6:30 a.m. Busses will run one or more hours later than normal.

Because of the size of Baltimore County, weather conditions can vary, especially in the northern section of the county. For identification purposes, this northern section is referred to as the "Hereford Zone." Schools in this zone are Hereford Junior - Senior High School and the four elementary schools which feed into Hereford Junior - Senior High School and the four elementary schools which feed into Hereford Junior - Senior.

They are Fifth District Elementary, Prettyboy Elementary, Seventh District Elementary and Sparks Elementary.

If extreme conditions prevail in this "Hereford Zone," school openings could be different from the remainder of the County. Parents in this area should pay close attention to the radio announcements.

Should weather conditions become worse during the school day, it is sometimes necessary to close schools early. Parents will be notified by radio and television announcements.

If radio and television stations make no mention of school closings, it should be assumed that all schools are open and buses are running.

On days when schools are closed, all other scheduled use of school facilities will be cancelled.

Roller skating safety programs

Roller skates are popular Christmas gifts and injuries from roller skating frequently occur on public streets.

The Baltimore City Public Schools' Office of Safety, in cooperation with the Mayor's Committee for Safe Roller Skating, will provide safe areas for skaters this Christmas season.

Supervision for these areas, from 10 a.m. to 4 p.m. Dec. 27, 28, 29 and 30, will be provided by recreation leaders and police officers.

Streets to be used for skating will be closed to traffic and youngsters participating in skating activities will be awarded prizes in competition.

The following streets adjacent to recreation centers will be closed to traffic and subject to restricted parking in order to provide safe play areas for skaters:

1300 block Stricker St.; 1500 block Moreland, between Baker and Pressman Sts.;

3000 block Phelps Lane; 100 block Vincent St.; Alley behind Southside of 3200 Normount Ave.; 4000 Towanda Ave.; 900 block Ducatel between Linden and Brookfield; 3600 block W. Mulberry St.; 5500 block Ivanhoe Ave.; 1600 block Johnson St.; 24th Street between Brentwood and Barclay and Warner St. between Washington Boulevard and Eislen Street.

Transportation course offered at U of B

An evening course in "Urban Transportation" will be among more than 300 undergraduate courses available during the 1978 spring semester at the University of (U of B).

Problems in regional communication services, local transit authorities, and land use and development will be discussed in the course.

Spring registration at the U of B is Jan. 10 to 12, from noon to 7 p.m., in the Academic Center on Charles Street and Mount Royal Avenue. The registration schedule is by alphabetical groups, and each student must register during an assigned time.

For details, call the Admissions Office at 727-6350, extension 368

Inner Harbor site of holiday celebration

This is the season to be jolly at Happy Harbor Holidays, Dec. 18 from 1 to 8 p.m. and Dec. 19 from 5 to 8 p.m.

Take a trip to the Inner Harbor and there travel around the area by means of two trains. Ocean City's boardwalk train will shuttle visitors around to see the yule-tide attractions. The Enchanted Forest train of six white mice and a pumpkin will also carry passengers from Constellation dock to the Rash playground.

A trip to Happy Harbor Holidays will include visits to Maryland Counties.

Each county has been invited to decorate a Christmas tree on the promenade with the county seal and decorations characteristic of the county.

The Park School Theatre will be on board the SS Nobska, providing theatrical entertainment. The Bolton Hill Dinner Theatre will perform a melodrama three times a night on the USF Constellation.

On the 26th floor of the World Trade Center will be hot tea and ice skating demonstrations by Columbia and Northwest Family Ice Rinks.

On the south shore, a live manger scene, Christmas decorations to make, caroling, a yuletide log, hot cider, live Christmas trees for sale, ice sculpture, and Santa Claus will be featured.

On Sunday, Dec. 18 at 1 p.m. the Baltimore's Best awards ceremony will take place.

People Helping People The United Way

Bowie needs volunteers

Bowie State College's Office of Student Affairs is seeking volunteer families and individuals to provide 12 Iranian students temporary housing during the school's semester break.

This month-long period, from Dec. 18, 1977 to Jan. 18, 1978 would offer the host an opportunity to learn about Iran first hand while giving the student a glimpse of American living.

If you can offer your services during this time please contact: Charles Guilford, Office of Student Affairs, Bowie State College, Bowie 20715 or call 464-3209, Washington area phones or 793-0646, ext. 3209, from Baltimore-Annapolis area phones.
