# Consider your rewards .at Sikorsky.

Consider our awards!

The U.S. Army with its "Black Hawk" award, | PURCHASING the U.S. Navy with its LAMPS and CH-53 Super Stallion awards, and our new commercial S-76 confirm that we're doing

Contract awards like these do more than create jobs. At Sikorsky they create exceptional opportunities for professional recognition, fine long-term growth prospects, and associations with many of the top design and development and manufacturing engineers in the country.

And there's another kind of reward: location. Stratford . . . and its surrounding Connecticut countryside ... Is one of the most desirable locations in the East. We're on Long Island Sound for sailors. near mountains for skiers, near to universities for advanced studies. Yet for all this, the cost of living compares favorably with much of the country.

If you have an appropriate degree and at least 2 years of directly applicable experience in one of the following areas, we would like an opportunity to review your qualifications.

Please send resume, including salary history, to Mr. Leo J. Shalvoy, Professional Employment, Sikorsky Aircraft, 1 North Main Street, Stratford, Connecticut 06602.
