MOBY DICK: The Astrologer

Predicts Violence Coming!

May is better and keeps on getting better. Everybody all together now — breathe a big sigh of relief. After the vicious winter and spring you might expect a long hot summer, but that is next year.

This summertime the living gets easy, starting with May. You remember I warned you that February and April would be violent, from weather to wars, and March very little better. May is a good month, and the longer if goes on the better it gets. Got

The economy of the United States especially perks up brightly around the 23rd or 24th, and by next month everybody will be feeling confident and prosperous. You can hang on til then.

THE SECOND starts out with a really inspiring speech. or TV event that changes everybody's mind about America, so we all feel better. Don't miss it.

ON THE THIRD watch out for wrong and even deceptive reactions and reviews. Consider the source.

THE FOURTH is a busy reactionary riotous day. Better spend your energy looking for someone to love, rather than fight. Sex crimes a likely event or topic.

THE EIGHTH is Women's

Dawn Magazine has not yet included a "Letters to the Editor" forum, and we think it's about time.

We welcome comments, both pro and con about material included in Dawn Magazine.

Obviously, since there is a 2-month lead time in preparation of the magazine, letters used will reflect material that appeared a couple of months previously.

Nevertheless, we feel you should have a forum, and we will provide it.

In addition, we are intensely interested in material you want to read, of things you want to know about. Have we made our point?

Just address all correspon-

____ Lib Day, pro and con, with important changes in the status of women.

THE TENTH sees the economy and especially the market surge, as the big guys try to fool the little investor.

THE THIRTEENTH of May has bad, bad violence. Hijackingsand assassinations and riots. You'd think it was April again. Stay home.

THE FOURTEENTH, mourning and worldwide sadness as the casualty sinks home. Rash talk of revenge and war.

FOURTEENTH and Fifteenth. At the same time, the USA benefits both spiritually and economically.

SIXTEENTH brings sad news about ecology and the natural beauty of our country, the polluters win a battle....

THE TWENTIETH of May, political deception exposed and revealed. One more sore to drain. We begin to feel like Biblical Job, covered with unending boils.

THE TWENTY-SECOND, quarrels, mostly between judges and reporters, the courts versus the press and schools; Fights between religion and freedom of information.

THE TWENTY-THIRD shows the recession isn't over, but it might almost as well be, with an economic counter wave moving us toward prosperity. Be confident. Go ahead and start a

THE TWENTY-FOURTH has violent words and violence because of words. Bloody clashes over ideas and

THE TWENTY-SIXTH. A surge of high energy charges up Americans. Bravery and a demand for action. The press and schools fight back, hampered by lies and propagan-

THE TWENTY-NINTH. Violent attacks cannot quell the truth. Freedom wins a bitter battle.

THE THIRTIETH, more struggles of truth verses belief, for the right to be heard and to think as you

THE THIRTY-FIRST of May. A great change of beliefs in the world, a revolution against dogmas. A miracle of truth. Yet at the same time the innocent suffer. Don't take chances with aggressive strangers.
