Bowie State College The Graduate College

FALL 1978

New Master of Arts Degrees **Approved For Bowie State**

ADMININSTRATIVE MANAGEMENT

Advanced degree training programs designed to meet needs of public and business administrators will be implemented this fall. The program can result in a M.A. degree Bowie State College. in Administrative Management with concentrations in either public or business administration.

In keeping with current trends in the field, the new degree program features a common core of experiences in both business and administration specialized training in the two fields. A third field, Judicial Administration is planned for 1979 implementation.

The new degree program will-consist of 33-36 semester hours work with a seminarconcluding internship.

Students desiring information concerning registration and degree requirements should call the Graduate Office at 464-3208.

Veterans

eligible for benefits. Students should missions Officer, for an advisor 1978. assignment. Official transcripts of undergraduate and graduate studies must be received before any degree programs can be approved.

Students must also obtain a Cer-Street, N.W., Washington, D.C. All other request forms are available from Ms. Celia Jenkins, Registrar o the College.

parents.

COUNSELING **PSYCHOLOGY** A specialized M.A. in Counseling

Psychology for non-school based counselors and other mental health workers has been implemented a

It is expected that workers in juvenile courts and probation, community mental health centers, and various youth and drug center staff will be interested in the program. Even prior to formal implementation, over one hundred graduate students had signified intent to transfer from the M.Ed. to the M.A. program.

Applicants can be assured of prompt responses to inquiries and applications. Call 464-3208 for further information.

Refund Policy

Full refunds will be made in cases where the college cancels a class" 100% tuition, less a \$10.00 ad-
