CITY OF BALTIMORE
CONSULTANTS
EVALUATION BOARD
PUBLIC NOTICE

The Baltimore City Consultants Evaluation Board has been requested by the Department of Housing and Community Development to certify the qualifications of firms to perform professional services for the following project:

PROJECT No. 185
SOUTH BALTIMORE
BUSINESS AREA

The Department of Housing and Community Development desires to engage the services of an engineering firm to provide services for the following:

South Baltimore Business area, to include:

1) Street rehabilitation and sidewalk improvements in the 900 through 1200 blocks of Light and South Charles Streets.

2) New street lighting and joint - use, mast arm traffic signals.

The budgeted cost for the above improvements is $3,500.00 with construction scheduled to begin July 1, 1980.

Firms desiring to be considered for such professional services should address a "letter of interest" to:

Executive Secretary
Consultants
Evaluation Board
Room 300
Municipal Building
Baltimore, Maryland 21202
(301) 396-3350

Upon receipt of this "letter of interest" each respondent will be sent an application questionnaire to be completed and submitted along with one copy for consideration. Out of State Corporations must submit the name of your Resident Corporate Agent with the applications. Completed applications will be accepted by the Consultants Evaluation Board until the close of business on April 20, 1979.

PUBLIC NOTICE

Notice is hereby given that the Maryland Department of Transportation, State Highway Administration, has received location approval from the U.S. Department of Transportation, Federal Highway Administration, relative to the completion of the Arundel Expressway on new location from Old Annapolis Road (Maryland Route 648) in Glen Burnie to Maryland Route 100 and Maryland Route 2. The total length of the project is approximately 2.1 miles.

Location approval has been received for Alternate 2. This alternate was presented at the June 3, 1976 Combined Location/Design Public Hearing. The selected alternate begins just south of Old Annapolis Road as an extension of the completed portion of the Arundel Expressway, and is located between Ritchie Highway and Old Annapolis Road. The facility extends on new location across Marley Creek, approximately 1,000 feet west of Old Annapolis Road.

The proposed expressway passes between the Marley Junior High School and Phelps Avenue in the Gerard Plaza subdivision and crosses under Marley Station Road, immediately west of the Marley Elementary School and Marley Special School. Marley Station Road will be reconstructed in its same location to pass over the proposed expressway on a structure with several hundred feet of approach road. Just to the south of Marley Station Road, the selected alternate crosses Cooper Road, which will be terminated on both sides of the Expressway. Cooper Road acts as one of the access roads to the Marley Special School from Marley Station Road to Scott Avenue, and be constructed as part of the project on the eastern edge of the school property. The project continues in a southerly direction through a previously established right of way reservation for the proposed Arundel Expressway and crosses over Mountain Road, approximately 1,100 feet west of Old Annapolis Road. The interchanges proposed at this termination point include a half - diamond interchange on the north side of Mountain Road (Maryland Route 177) and directional connections to Maryland Route 100 and Maryland Route 2.

The Public Hearing Transcript and the Final Environmental Impact Statement adopted in support of location approval will be available for public inspection during normal working hours at the following locations:

ARCHITECTS & ENGINEERS

TRANSPORTATION PROFESSIONAL SERVICES
SELECTION BOARD

REQUEST FOR PROFESSIONAL SERVICES

The Secretary of the Maryland Department of Transportation has certified to the Transportation Professional Services Selection Board the need by the Mass Transit Administration to utilize the services of architects or engineers for the specific project listed hereinafter.

Firms interested in being considered for work on the Project must submit a separate letter of interest, in duplicate. Tz letter of interest shall be in an envelope marked with the specified contract number for the Project. Said letter will indicate the firm's desire to perform services and indicate what percent of the work will be subcontracted. In addition thereto, the letter of interest will specify the specific tasks or areas of expertise which are expected to be subcontracted. Interested firms and their designated subcontractors not having a current U.S. Government Form 254 on file with the Bureau of Consultant Services must submit one extra copy of same, in addition to that copy submitted with the individual letter of interest, as set forth hereinafter, or the interested firm will not be considered for services on the project. Additional information, if available, may be obtained from the responsible Mass Transit Administration Project representative at the telephone number specified.

Of all the firms expressing interest in the Project, those adjudged most qualified shall be requested to submit technical and price proposals. Additional information will be supplied to the aforementioned selected firms so that they can prepare such proposals for the Project. The final contract shall be awarded on a competitive basis

Questions concerning submittions and procedures may be addressed to the Bureau of Consultant Services, Telphone Number (301) 383-4100.
No response received after 4:00 P.M. on the dates specified herein will be accepted no matter how transmitted

RESPOND TO:
BUREAU OF CONSULTANT SERVICES
Room 207
300 West Preston Street
Baltimore, Maryland 21201

Mass Transit Administration

A Contract Number: MTA 9-14-4
1 Project Description:
An Alternative Analysis Study for the North and South Transit Corridors of the Baltimore Region must be completed prior to application to the Federal Government for project final design. The Alternative Analysis Study will define the detailed physical and service attributes of bus and rail alternatives in the corridors. The North Corridor roughly follows the alignment of the existing ConRail tracks from Guilford and Saratoga Streets to Hunt Valley. The South Corridor alignment roughly follows an alignment from Charles Centr along Russell Street, Patapsco Avenue and Maryland Route 3 to Dorsey Road

The Mass Transit Administration will be responsible for administration of the project
Consultant Services Requir4d: The Mass Transit Administration will require the services of an architectural/engineering/planning firm or joint venture to prepare a full in-depth analysis of bus and rail alternatives in the North and South Corridors.

The analysis will include for each corridor, but not be limited to, the following:

a. Project Planning, Engineering and Environmental Analysis
1) standards and definitive plans
2) plan and profile drawings
3) station site planning
4) soils analysis
5) utilities
6) environmental analysis - air quality, noise, flood-plain

b Corridor Transit Market and Patronage
1) transportation planning analysis of triptables and transit network prepared by the UTPP
2) analyze sub-mode station access
3) highway network and capacity analysis
c Develop Capital and Operating Cost Plans for Different Alternatives
1) capital costs
2) operating and maintenance costs
3) local, satee and federal cost shares
4) annualization of costs
d Joint Environmental Impact Statement

Alternative Analysis Report
1) prepare draft and final
2) participate in public hearings
e Work Jointly with MTA
1) station area development
2) community involvement programs
2 Specific Type Firm Solicited: A firm experienced in mass transit projects, in traffic engineering, transportation planning, environmental impact statements, route alignments, site planning, soils analysis, capital and operating cost analysis This experience should include preparation of comprehensive reports and involvement with public hearings and grant applications

3 Additional Information Required: Limit letter of interest to five (5) pages In the letter of interest, provide ten (10) specific client references with names, addresses, and telephone numbers, with at least two (2) references as Government agencies One Government Form 255 must be submitted Also, for every firm, including subcontractors proposed, one Government Form 254 must be submitted For each firm not already on file with the Bureau of Consultant Services, two (2) Governmen Form 254's must be submitted
4 Special Requirements and/or Limitations
Not applicable
5 Project Representative: Mr Theodore von Briesen, telephone, (301) 383-3596

PUBLIC NOTICE

The Baltimore City Consultants Evaluation Board has been requested by the Department of City Hospital to certify the qualifications of firms to perform professional services for the following project:

PROJECT NO. 181
MISCELLANEOUS
ARCHITECTURAL
SERVICES/BALTIMORE
CITY HOSPITAL

The Department of Baltimore City Hospital requests the services of an Architectural firm for renovations and additions within the hospital. It is proposed to establish an open end contract for one year with an architectural firm to provide services for site investigations, studies/documentation, and preparation of final construction documents.

Firms desiring to be considered for such professional services should address a "letter of interest" to:
Executive Secretary
Consultants
Evaluation Board
Room 300
Municipal Building
Baltimore, Maryland 21202
(301) 396-3350

Upon receipt of this "letter of interest" each respondent will be sent an application questionnaire to be completed and submitted along with one copy for consideration. Out of State Corporations must submit the name of your Resident Corporate Agent with the application. Architectural firms applying should also submit copies of your Maryland State certificate of Authorization. Completed applications will be accepted by the Consultants Evaluation Board until the close of business on April 20, 1979

LEGAL NOTICES

HOUSING AUTHORITY
OF BALTIMORE CITY
National Letting

The Housing Authority of Baltimore City will receive sealed bids in duplicate for Emergency Housing Repairs for Elderly Homeowners, [illegible], Scattered Sites until [illegible] Eastern Standard Time on April 6, 1979, at the office of the Chief, Finance and Accounting, [illegible], Saratoga Street Municipal Building, 222 East Saratoga Street, Baltimore, Maryland [illegible], at which time and place, all bids will be publicly opened and read aloud. Proposed forms of contract documents and Technical Specifications are on file and may be examined and obtained by persons who have been prequalified by the Contractors Qualification Committee, City of Baltimore, or the Executive Director of the Housing Authority of Baltimore City. These contract documents are available at the Office of the Housing Inspection Administrator, Room 411, Saratoga Street Municipal Building, 222 East Saratoga Street, Baltimore, Maryland 21202. Interested parties may obtain information concerning requirements and procedures for prequalification at the Contractor's Qualification Committee, Room 1003, Municipal Building, or by calling the Housing Authority of Baltimore City, [illegible]. The successful prequalified bidder will be required to furnish satisfactory performance and payment bonds within ten (10) days after the date of the letter of notification of award of the contract.
Attention is called to the fact that payrolls must be filed with the Housing Authority of Baltimore City and not less than the prevailing salaries and wages as set forth in the Specifications must be paid on this project. The Contractor must insure that the employees and applicants for employment are not discriminated against because of their race, creed, color, religion, sex or national origin.
The successful bidder may be required to prepare and submit an Affirmative Action Program regarding the employment of minority job applicants. Details are set forth in the Contract Documents under 41 CFR 60-4.2 (d) "Notice of Requirement for Affirmative Action to Ensure Equal Employment Opportunity (Executive Order 11246)" and 41 CFR 60-4.3 (a), "Standard Federal Equal Employment Opportunity Construction Contract Specification (Executive Order 11246)". In addition, prior to signing of the contract, he must submit a preliminary statement of work force needs, where known. Where not known, this information must be supplied prior to signing of any contract between the contractor and his subcontractors.
The Housing Authority of Baltimore City reserves the right to reject any or all bids or to waive any informalities in the bidding.
No bid shall be withdrawn for a period of thirty (30) days subsequent to the opening of bids without the consent of the Housing Authority of Baltimore City.
The Cost Classification Range for this project will be from $5,000.00 to $100,000.00.

NOTICE OF LETTING

Sealed bids or proposals, in duplicate, addressed to the Board of Estimates of the Mayor and City Council of Baltimore and marked "Bureau of Engineering Contract 2526 and EDA Local Public Works Act Title 1 Project for Commercial Revitalization Program Rehabilitation of Conkling Street from Fleet Street to Bank Street, EDA Project No. 01-51-26386" will be received at the office of the Comptroller, Room 204, City Hall, Baltimore, Maryland until Wednesday, April 11, 1979 at 11:00 A.M. Board of Estimates' employees will be stationed at the Security Unit Counter just inside the Holliday Street entrance to City Hall from 10:45 A.M. to 11:00 A.M. every Wednesday to receive bids from bidders who feel they would not be able to deliver the bid envelope to Room 204 by 11:00 A.M. due to a possible delay by the security check and scanner process. The bids will be processed with a hand scanner in a box and promptly at 11:00 the box will be sealed and brought to Room 204, City Hall, Comptroller's Office. (Positively no bids will be received after 11:00 A.M.) Eastern Standard Time, and at 12:00 noon on said date they will be publicly opened by the Board of Estimates in Room 215 in said City Hall.

The proposed Contract Documents may be examined, without charge, at the office of the BUREAU OF ENGINEERING, Third Floor, Municipal Office Building, Baltimore, Maryland on and after March 23, 1979, and necessary copies thereof may be there obtained on payment of Fifty Dollars ($50.00) for each copy, which payment will not be refunded.

A certified check of the Bidder of a bank cashier's check or a bank treasurer's check drawn on a solvent clearing house bank made payable to the Mayor and City Council of Baltimore or a Bid Bond executed on the form as provided in the Bid or Proposal for an amount which is determined by multiplying the total bid submitted by five percent and rounding the result to the next highest Five Hundred Dollars ($500.00) will be required with each bid.

Bonds will be required of the successful bidder.

The Board of Estimates reserves the right to reject any and all bids and/or waive technical defects, if in its judgment, the interests of the Mayor and City Council of Baltimore may so require.

Bids when filed shall be irrevocable.

Attention of bidders is called to the minimum wage rates to be paid on this project.

All Contractors and Subcontractors desiring to bid on, or subcontract for work under the jurisdiction of the Bureau of Engineering will be required to be prequalified with the Contractors Qualification Committee, City of Baltimore.

The Cost Classification Range for this Project will be from $500,000.00 to $1,000,000.00.

Information concerning a Pre - Bid Meeting may be found in the Special Provision (Instructions to Bidders).

Principal items of work for this project are:

Class I Excavation	900 C.Y.
Special Excavation Railway area	325 C.Y.
5-inch Concrete Sidewalk	16,300 S.F.

P.G. teen pleads self-defense

By Roger Glass

The tone was set for the trial of 18 - year - old Terrence G. Johnson when, in the opening statements, Prosecuting Attorney Arthur A. Marshall Jr. and Defense Attorney R. Kenneth Mundy, told the court their respective versions of what happened on the morning of last June 26.

The two attorneys, not surprisingly, gave vastly different accounts of the circumstances that led to the deaths of two Prince George's County police officers and brought about the charges against the bespectacled youth.

The prosecutor painted Johnson as "an arrogant, explosive" youth who "deliberately" shot and killed Officers Albert Claggett and Brian Swart.

In his sometimes emotional description of the events of last June 26, Marshall employed the sympathy of the jurors for the slain officers.

"You can't listen today to the testimony of Officers Claggett and Swart," he said at one point.

The prosecuting attorney told the jury of eight whites and four black persons that Claggett was shot by Johnson at close range after he had ripped the revolver from Claggett's holster.

He also maintained that Swart, who Marshall said was previously threatened by Johnson, was shot once in the stomach and once in the back.

"Listen to the witness and determine who was the aggressor in this particular case," he told the jurors, adding that "we will show you that Officer Albert Claggett did not beat the defendant at any time."

Mundy's depiction of the shooting alleges that it was a self - defense.

"Fear for his life is what led to the actions of Terrence Johnson on June 26," Mundy maintained.

The defense's task of proving self - defense was made considerably more difficult by Prince George's County Judge Jacob S. Levine prior to the opening statements in the case.

Apparently determined not to put the PGC police department on trial, the judge ruled that no [illegible] could be made of police brutality or the general reputation of Officer Claggett.

Remember Your Loved Ones With An

EASTER

IN MEMORIAM
APRIL 13th

The Baltimore AFRO-AMERICAN on Friday, April 13th, will help you honor your deceased loved one with a special "Easter in Memoriam Page."

With this thought in mind, we are taking this opportunity to suggest the publication of one of the following verses or any similar poem of your choice. Pictures may be used at a small additional cost.

E-1
"UNSPOKEN"
Sometimes along the way of life
I'd hurry thru the day
And often miss the sweet things
I'd really meant to say.
Those little words of tenderness
I felt deep in my heart.
But though I cannot tell you
You'll always be a part
Of every loving thought I have
Today and all the year,
Because in words unspoken
I love you husband, dear.

E-2
"OUR EASTER PRAYER"
O'Sacred Heart of Jesus,
Keep him by Your side,
For I need not tell You,
He was my joy and pride.

E-3
This Easter brings back memories
Of wonderful times we knew.
A family day together
For then dear, Mom, we had you.
And all these recollections
Of the happy days now gone,
Bring heartaches and a longing
As Easter morning dawns.

E-4
Tho' you're not here this Easter
Our wishes to impart
You know our thoughts are with you
Even tho' we're far apart.
We'll put our wishes in writing
And hope that they'll be read
By the son and brother we loved so dearly
And whose feet have ceased to tread.

E-5
"OUR EASTER MEMORY"
Your memory to us is a keepsake
With which we'll never part
Though God has you in His keeping
We still have you in our hearts.

E-6
"OUR EASTER MEMORY"
Your memory to us is a keepsake
With which we'll never part
Though God has you in His keeping
We still have you in our hearts.

E-6
"OUR EASTER MESSAGE"
Farewell, dear father, thy work is o'er
They willing hands will toil no more.
A loving father, kind and true
No one on earth we'll find like you.

E-7
"OUR EASTER MEMORY"
Dear Mother, you were the light of our life,
Always happy and gay.
God knows how much we miss you
On this Blessed Easter Day.

E-8
On Easter Day the world becomes
the prettiest kind of place.
And thoughts of you enrich each hour,
To give it added grace.
The flowers we place upon your grave
The clouds against the blue,
Seem brighter than they were before
Because we're always thinking of you.

E-9
No matter how many Easters
Come and we're still apart,
I still have that faith, my love one,
We're still in each other's heart.
So as ever on Easter morning
I'll say "Happy Easter" dear,
And pretend we never had parted
For your presence I'll feel very near

E-10
Easter brings sad memories,
Of a sister who has gone to rest,
She will never be forgotten
By the ones who loved her best.
Though her smile is gone forever,
And her sweet face I cannot touch,
I shall never lose sweet memories,
Of my sister I loved so much.

E-11
Flowers will bloom at Easter time
Fresh with the light spring rain,
But the face of our dear sister
We would love to see again.
Sister, when the violets open
And the flowers in beauty wave,
We will gather up some bunches
And lay them gently on your grave.
Oh, so often do we wander
To the place where you are laid,
And think if God had only left you
Longer on earth with us to stay.

E-12
We are sad within our memory,
And lonely, this Easter Day,
For the ones we loved so dearly
Have forever been called away.
We think of them in silence,
No eye may see us weep,
But many silent tears are shed
When others are asleep.

E-13
In the book of God's Remembrance
Your name is written there,
And it seems to bring you nearer,
As I breathe my Easter prayer.
I thank the Heavenly Father
For having known one so sweet and dear,
And pray, his richest blessings
Will ever rest on you.

E-14
A cross, a thorny wreath,
The blooming dogwood, all are signs
That Easter is a holy time
The thoughts of one so true and good
Renews again the overpowering grief,
He is not dead, just gone before
We miss him now and evermore
So on Easter to our loved one so dear
We'll send our love and prayers
That God will bless and keep him always in His care
