The social ladder is out there for you to climb, but be prepared to take one rung at a time. Romance will take a unfathomable turn; if you're not faint of heart, ride the

#### CAPRICORN Dec. 22-Jan 20

Happy birthday to all Capricorns born 1/1 thru 1/9. Your year ahead will be filled with lots of communicating thru letters, phone calls and visits. It's a good year to advertise and to promote the self, and to refine and/or add to your skills.

Challenges from higher-ups at the job are almost guaranteed. Unexpected offers from friends and from chance social encounters could help open the right doors for you this year.

Birthday greetings are also due Sea-Goats born 1/10 thru 1/20. You will be able to increase your earnings during the upcoming year by exercising your creativity and by implementating innovative

Get involved in an unusual occupation - don't be afraid to try something new! Uncertainties are likely to occur with travel and romance, but after the middle of the year the fog-will lift.

For all Capricorns, the next four weeks will present a brand-new way of thinking for you. Your employer may give you a cost-ofliving increase that is not equal to the national rise in the cost of

New investment opportunities may come your way now so keep your eyes open! Romance may be behind-the-scenes for some, but will come to light by the month's

#### AQUARIUS Jan. 22-Feb. 18

Birthday wishes go out to those Aquarians born 1/21-1/31. This

will be a year of action for you as mind and body function more dosely as one. Business partners will exasperate you; try to understand their point of view.

Listen to the advice of close friends; they've got the right idea. Most of you will give serious thought to expanding your career goals. Many may have to travel to be with the loved one in your life.

The rest of you Water-bearers can look forward to a month of fluctuating circumstances created at the job by females. You may not feel at your out-going best since you are sub-consciously revising your ideas about how you want to live your life. Romance may have an air of mystery to it now. Socializing could find you among the "beautiful people," go out

friend or loved one. You may have a renewed interest in the occult sciences now.

#### TAURUS

#### April 21-May 21

Many Taureans will have the opportunity to travel some distance for new business and/or educational purposes. A young male at work will try to implement changes. Unplanned twists from old business relationships are

Small increases, nonetheless, are possible through investments that you share with others. Your loved one may be both elusive and illusive just now. Any health problems this month will occur because you haven't been drinking enough water.

#### GEMINI May 22-June 21

DAWN Magazine's astrological expert, Amali, is one of the top-ranked in the country. Besides a regular radio series, she is currently astrologer for such entertainers as Stevie Wonder, Gil Scott-Heron and Brenda Sykes.

Other peoples' money may be rightfully yours, but you'll probably have to give most of it up to creditors and to Uncle Sam. You may be visited by an unusual person who has come a long way to influence your life.

Some redecorating or the addition of music may occur at the job. Friends and associates will be able to steer you in the direction of good investment opportunities. Romance will be a preoccupation.

#### ARIES Mar. 21-April 20

Business partnerships and employment matters may bring on a case of the "blues." Try to be flexible in your thinking and don't let ego get in the way of good common sense; this is no time for a showdown. Unexpected uncertainties may arise where joint monies are involved; wait a month and try it again.

Good news is likely to come from a distance through a close

Affairs of the heart will highlight this month's activities. Business buddies could be a bit baffling; if they can't make them selves understood, give them a few weeks to work it out. Young people continue to need your guidance and knowledge; make it a point to share your brilliance with them.

Your nervous system will be affected by your mind these days; try to keep your thoughts in order - nothing is worth a self-imposed head ache.

#### CANCER June 22-July 23

Business partnerships will light the way for you this month; state your position clearly and new doors will open for you. A golden opportunity to go public with some of your work (complete with royalties) may come your way.

Some confusion on the job from female fellow-workers is likely. Affairs of the heart could upset your stomach; be patient. Unplanned pregnancies are possible for many Cancerians this month - need I say more?

#### LEO

#### July 24-Aug. 23

It will be necessary for you to speak your mind with co-workers now; they'll respect you for it later. A mysterious lover (a person, place or thing) could come into the lives of many Leos this

The affairs of children could puzzle you these days; don't try to make lasting decisions 'til later. In the home, unexpected conditions that will prove challenging are likely to arise. Your health will be good unless you choose to force the unforceable - whereupon problems with the bones and/or teeth may occur.

#### VIRGO Aug. 24-Sept. 23

Money matters will matter a lot this month; the Lord giveth, and the Lord taketh away. Many of you will have an unexpected opportunity to publish or advertise; by all means do it.

Strange things may occur in the home involving a loved one or a weird woman - keep your eyes open. Romance will include heart, body and soul. A male co-worker may go off half-cocked and get his goose cooked; make sure you're not in the stew!

#### LIBRA Sept. 24-Oet. 23

Changes in the home are likely as many of you will decide that it needs to more closely reflect your inner growth and development. Your self-esteem will be both pushed and pulled during the next four weeks.

Financial affairs may do flipflops through no fault of your own - keep your emotions out of it. Correspondence, particularly with females is likely to be confusing.

#### SCORPIO Oct. 24-Nov. 22

The depth of your personal security may seemingly become shallow this month. Make no rash decisions; matters will clear up shortly. This is a good time to travel for business purposes or for personal promotion.

Unusual circumstances may arise in the home through a male guest.
