In spite of the torrential rains on Saturday, Feb. 21 more than 500 sorors of the Epsilon Omega Chapter, Alpha Kappa Alpha Sorority, Inc., and their guests poured into Blue Crest North for the high noon luncheon which was the highlight event of the sorority's Founders' Day weekend celebration of its 60th year.

They came from Baltimore, other points in Maryland, New Jersey, Virginia and Washington, D.C.

The mood was vibrantly buoyant as folks flocked to the Warren Room for cocktails and delectable hors d' oeuvres, stopping on the way to view the mini-exhibit (done by Soror Charlotte Harper) which pointed up the history and accomplishments of the sorority.

Many AKAs wore pink and green, and many wore sprigs of ivy and pink carnations, or twists of pink and green ribbon on their lapels (sorority colors).

Soror Gloria B. Jones, chair for the affair, presided.

Each table, decked in pink, with green napkins, had, as a centerpiece, a bed of ivy with a stem glass in the middle. Each glass contained sprigs of ivy, baby's breath, a pink carnation with matching bows and a green candle
