Since a great many readers have adopted the DAWN Magazine habit since its inception, it is time once again to spell out some of the details attendant to having material displayed in our Poetrie Gallerie.

The Gallerie was begun following a query of our readership, who expressed a desire to see a forum whereby amateur poets might get a chance to display their works.

It is strictly a voluntary operation, with no compensation to those writers who qualify. The swandards are quite high, and each and every poem received is carefully considered.
