Johnson, designer.

The affair started at 6 p.m. and lasted until 11. view breathtaking. The food was good. The fashion

models Brigette Hines, Saundra Brown, Carolyn Jackson, Adrian Lucas, Betty Harcum, Rena Barnes, John Caldwell, Duane Cozart, Barbara were outstanding, as Pendleton, Janice Blue, Debbie Moore, Abby Miller and Connie Watson.

## Day to be held

On June 6, 1981 from 2 nothing less than the best to 5 p.m. the Dunbar one could give. Alumni Association Inc. will launch a drive for a technique molded perpetual education fund thousands of characters at the Dunbar Com- and her mode of living in munity High School.

It will be named for Ms. Lottie O. Chase, who is the only living one of four persons after whom the houses inside of the school have been named. Each graduated class

contributing minimum \$50 initially on or before June 6. Mrs. Chase is a. historian

history. She was born sometime in the 1890's and taught Junior High will receive with her; School and senior classes some community people at Dunbar before it became a complete High School in 1940. Even though she

returned in 1954, the mere mention of name still brings forth the three barometers which set her aside as a concerned dedicated teacher and a stern disciplinarian.

This 4 foot 8 inches giant was famous for "Keeping you in until the stars came out; reminding you to her trash row and wielding her 12 inch ruler when necessary.

In her demanding of gave the best that she had and accepted

Her motherly and out of school reflected her teachings. Her presence commands respect and her love

begets love. She wil. forever remain alive in the hearts of all who know or hear of her.

A souvenir booklet is being prepared for Ms. Chase; each class will making have at least one host or hostess to serve for her; many of her co - workers will greet the friends of Dunbar.

Plans will be unfolded for organizing classes which are not yet organized; items will be solicited for the proposed archives; reporters will be recruited for the newspaper and information for the annual calendar of events will be accepted.

A TV and press conference will be held at 3:30 p.m. A place has been reserved for you. We have engaged Mr. Robinson of the Beacon Press (he printed the first year books) to print quality performance, she our 14 page, 6" x 9" souvenir booklet.

M's. Lottle O. Chase

Association is planning to culminate the drive in September. Their goal is \$10,000 minimum. Our perpetuation plan is to commit to the fund the total proceeds from one of the Association's activities each year and request each graduating class. to pledge a sum to the fund. Investment op-

portunities will also be explored when appropriate. Those involved in the

planning see unlimited possibilities in the idea Westry - 366 - 2937 and are naturally very Esther Harcum - 542 excited. They know you 8085; Barbara Smith share their dream. You can help them by:

Just recently young Hoff played board 4 on the chess team that tied for first place in the United States Amateur Team Chess Championship in Somerset, N.J.

nament featured 130 of the best amateur chess teams in the United States. Each team had only four people.

cash prizes offered the winners which placed them in the category of amateurs. The average rating of a team could not exceed 2100 points.

In chess, experts are above all class players from E to A, masters are above all experts, and grand masters are above masters, according to our young expert.

Hoff's team, the Capital Punishers consisted of all black chess experts. Never before in the history of the United States Amateur Team Chess Championship has an all black chess team managed to place so high.

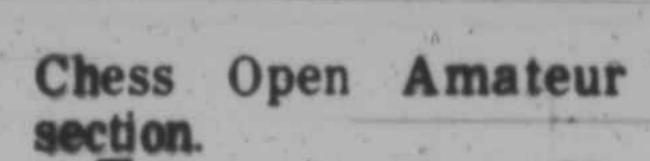

The team had an average rating of approximately 2065, ranking teams in the competition before the tournament

Green of Washington. Covington, a magician and musician, from Baltimore.

The all black team won 5 matches and drew 1 out of 6 matches, and Hoff'. team tied with the Maternalists team. having the same score.

In addition to the United States Amateur Chess Championship. another win for our chess expert took Chess Club Championship which placed him 2nd in the Catonsville Championship. "The Club is one scored 4 wins and 1 loss.

Still another win for young Hoff occurred when he scored 3 wins and 1 draw out of 5 rounds at the Maryland Winter Chess Open. Hoff beat a chess master, two-time Catonsville Chess Club Champion Troy Roberts and drew Vince Moore. another expert, his teammate in the United States Amateur Team Chase Champianshin

These wins gave Mr. Hoff master status as a

chess player. Young Hoff is very intelligent and highly verbal in conversation. Hehad this to say: "I first learned how to move the chess pieces when I was 81/2 years old. My father, Nathaniel Hoff Sr., taught

Chess is only a hobby for the young expert, surely not a career. He is an honor student Morgan State

University, completing his third year in pre- law. "My specific goal is to get accepted into an ABA (American Bar Association approved law school)" he continued to say, "My general goal is to develop skills in communication and
