A group of young, black professionals, from the fields of Computer Service, accounting, law and medicine hosted a festive and highly successful fundraiser to 'help save the Me - De - So - Club', Eutaw St. on Saturday, Sept. 5.

The group, headed by Clayton Powell, who is spearheading the effort, hosted the affair at the Me - De - So Club.

Featured were a cash bar and lively disco dancing in three rooms on the first floor.

On the second floor there was a jazz band which played continuously much to the delight of jazz buffs present.

There were also video games available and much spirited action took place on both floors.

Folks must have had a great time because the affair, which got underway at 8 p.m. lasted until dawn.

During those hours there was a continuous flow of more than 200 guests coming and going, chatting, dancing, sipping, laughing it up, checking out the jazz sounds and the games — just having a ball until the affair ended.

'Big Bird', of Sesame Street, put in an appearance and could be seen throughout the evening, boogeying with the guests and rapping away.

This is the second affair of this nature to be hosted for the Me - De - So Club, and it was an unqualified plus.

The sponsoring group plans to have this type of affair on the first Saturday of each month.

So if you missed the first two, check out the rest. It's guaranteed to give you a zesty, fun - filled evening as well as helping a worthy cause.
