Libra, children and your body are blessedly aspected so that childbirth will be easy and creativity is bound to be suc-

The community, especially religious mothers will appreciate your efforts and spread the word. goals present the problem. Wait for the Sun to transit the fixed signs of Aquarius, Taurus, Leo and

### SCORPIO Oct. 24-Nov. 22

Scorpio, finally you have the right to rest, to retire, to reflect. Twelfth and fourth house studies on spiritual and physical nutrition are blessed and finances will be favorably ac-

The problem for you is organizing your study time and materials and overcoming your lazy tendencies to gratify self which dominate your schedule.

# January 20 - February 18

This solar return for Aquarius finds them occupied with only Aquarians half as many things as before. private, Aquarians have the chance to show the world how to concentrate constructively upon earning power without succumbing to the faculty premise that one must injure another to acquire wealth (Sun in Aquarius in the second house of material acquisition).

The Eastern part of Aquarians, the sacrificing side, is lit up. Along with financial commitments and contracts, the body, the hidden self, the friends in parliament, and the highest Aquarians are emphasized.

The first six months are relatively quiet until Aquarians stir around July and engage in activity energetically, forcefully and triumphantly in October. From than on through February 1983, Aquarians are attentive to friends and self.

The career balances out in a just manner so that Aquarians are amply rewarded for untiring efforts and unswerving determination in their goals and

Authoritative males, old, directors are aware of their aspirations and appreciate their

These powerful people let cautioning that business decisions between them be in writing to offset amnesia.

Masculine relationships for Aquarians are in the open and aggressive with women, the subconscious, feminine and spiritual, relationships by nature passive (Moon in the 12th house in Sagittarius and Mars, Saturn

Physical therapy, dance or martial artial arts, is enhanced when the senses are inundated in spiritual and cultural music, art, food, clothing and attunement with nature.

Actually, Aquarians could read the major religious and philosophical literature of the

A liberating awareness of secret self is providential. The Moon joined with Uranus, the Surpriser ruler of Aquarius, accounts for the startling realizations.

The problems may arise from friends who are demanding at a time when career calls. Other difficulties come from past debts and injudicious intake of medications or excess alcoholic beverages.

#### SAGITTARIUS

Dec. 22-Jan. 20

Sagittarius, your community and parliamentary endeavors with relatives and friends are blessed and the body is the recipient of this positive exploration. The problem for you is keeping a secret. Friends and legislation have an adverse effect on your financial resources.

#### CAPRICORN . Dec. 22-Jan. 20

Capricorn, you have the boss cooperating with you because communication is concise and clear insuring forthcoming financial remuneration. The problem for you, too, is selfishness and selflessness. Friends are domineering and financially oppressive.
