MARVIN GAYE "Romantically Yours"

No doubt many of us miss Marvin (it would be safe to say that some probably miss him as much as Presley fans miss Elvis, as much as Beatle fans miss Lennon, etc. This latest Columbia release should help us all remember the great talent that he was with another interesting batch of Gaye material.

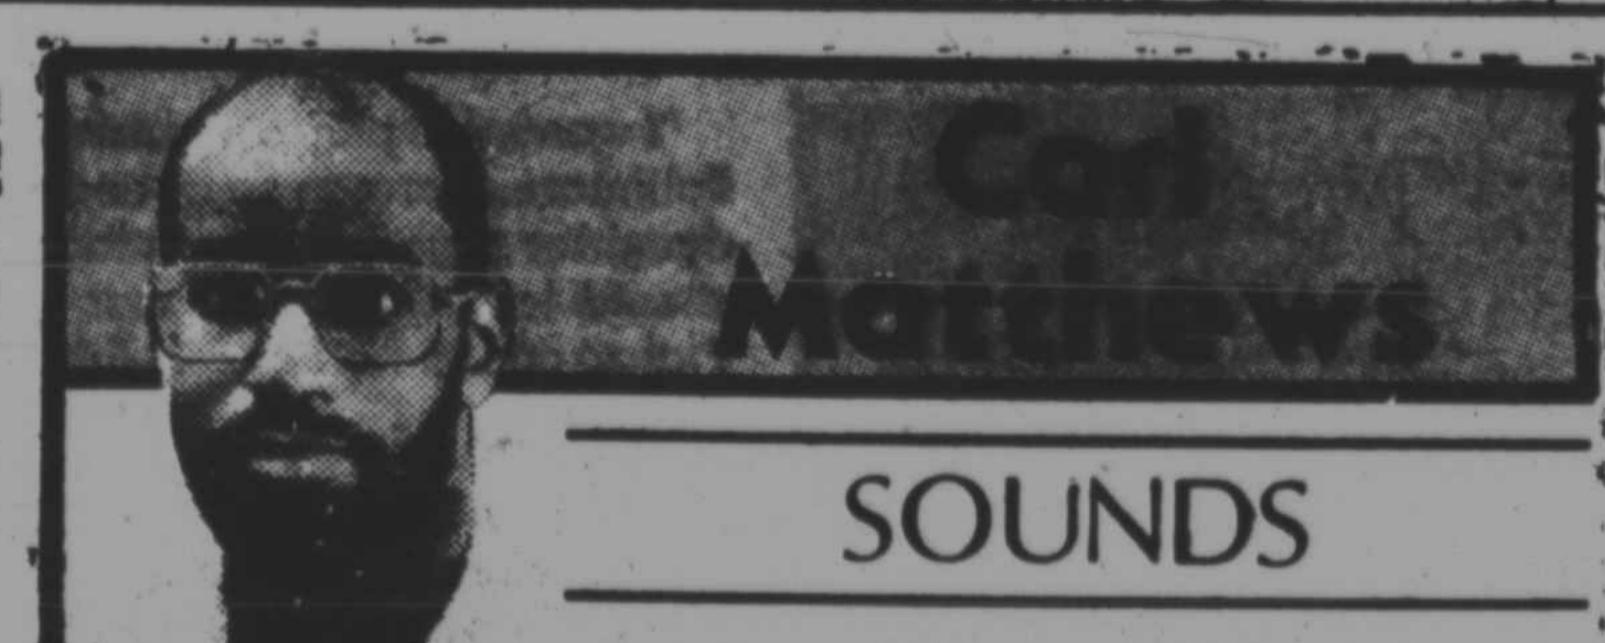

Marvin would have been 47 this past April. No doubt millions have grown up with his music from his first album "The Soulful Moods of Marvin Gaye" to "In Our Lifetime" and beyond. And when it came to hitting the pop charts, as well as the soul charts,

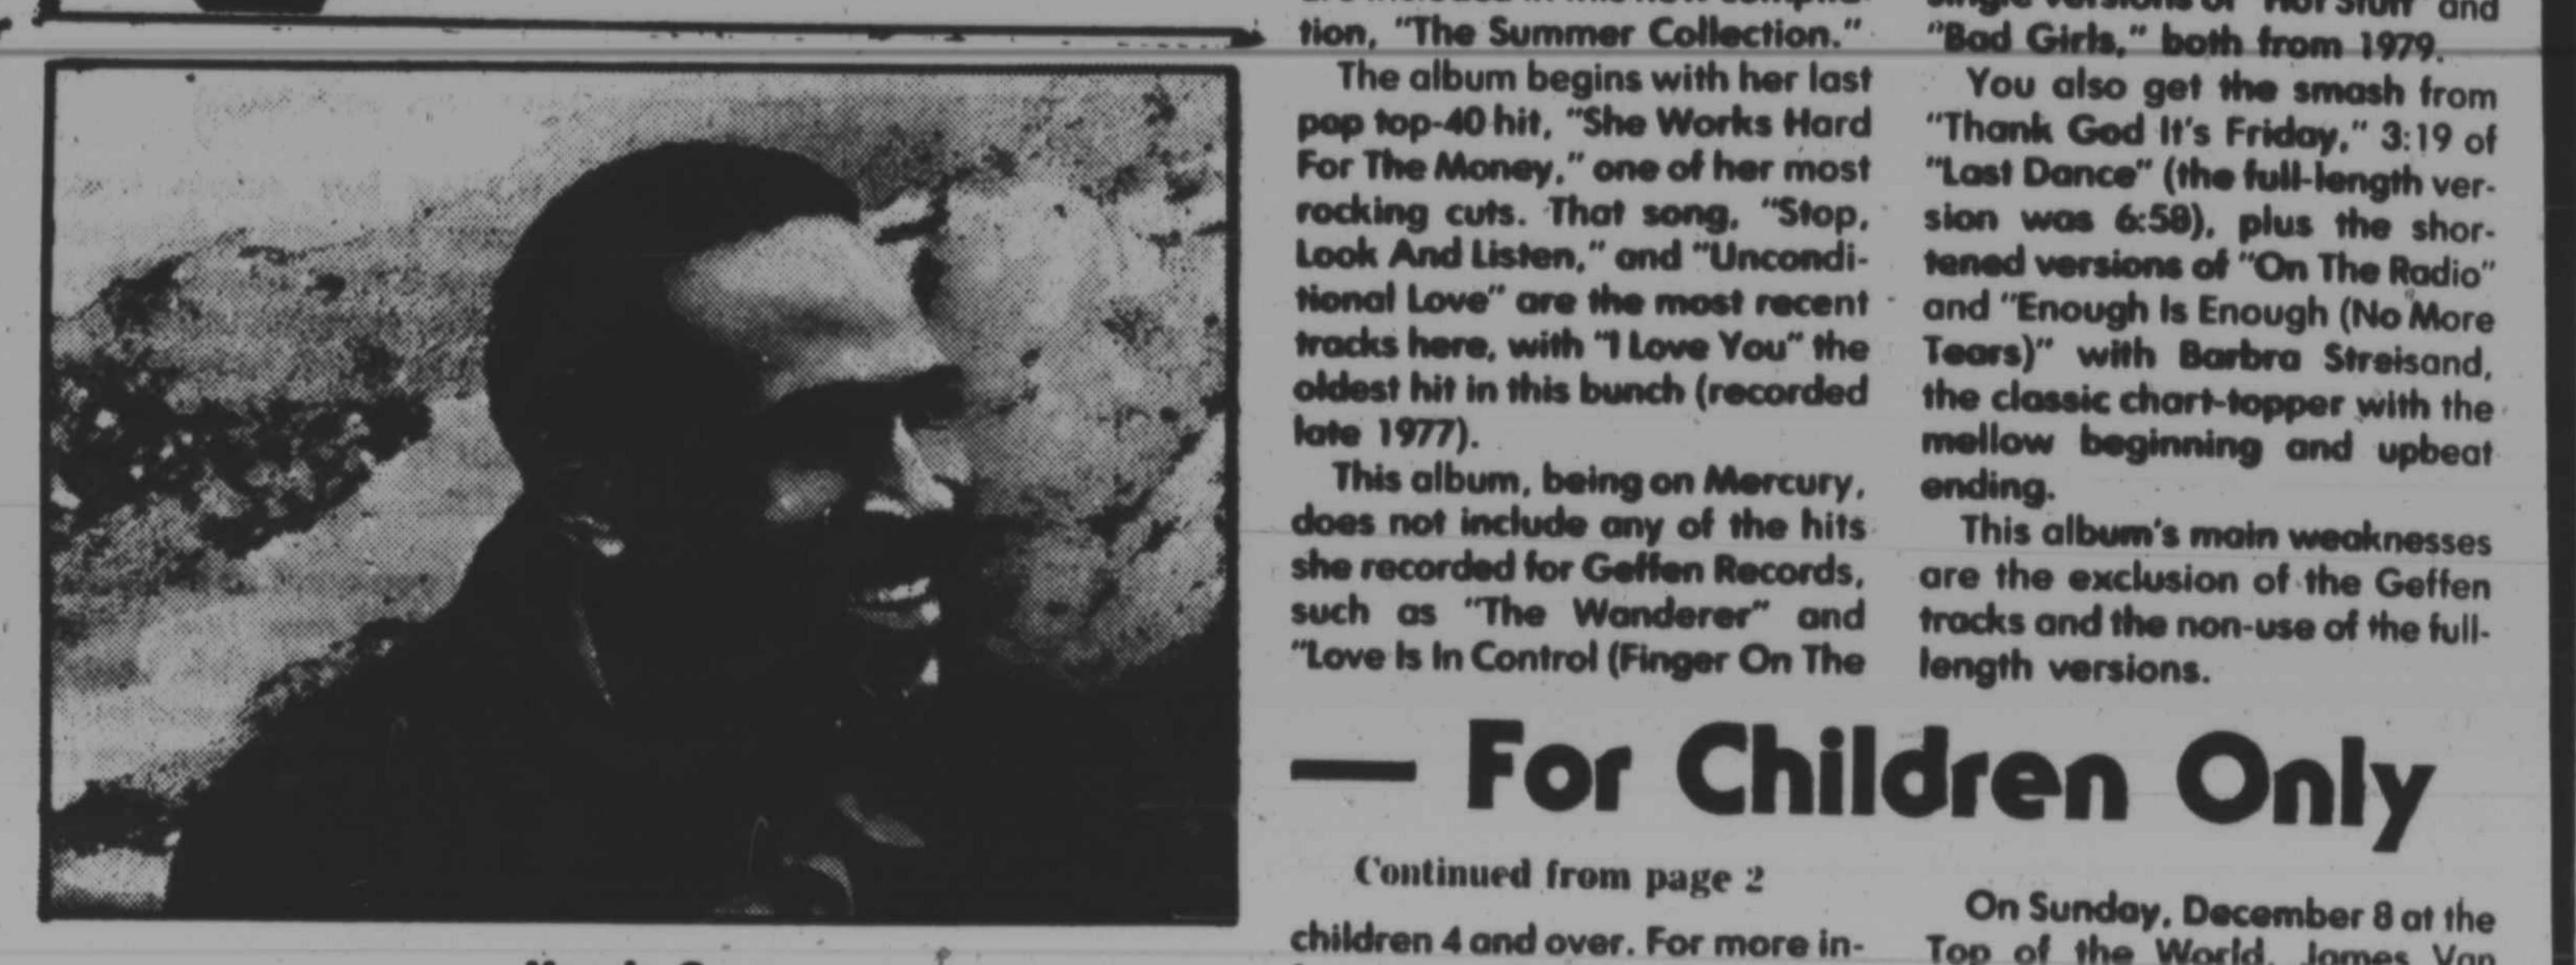

His last Columbia release, "Dream Of A Lifetime," contained tracks recorded during the sessions that unfortunately ended with his untimely death. That album included "Sanctified Lady," plus other unreleased tracks from the Motown period.
