HECHT'S SALUTES DR. MARTIN LUTHER KING

Hecht's joins in saluting Dr. Martin Luther King. It's rare that a man can make such a mark in his own times, exceptional that a man can mark history. Yet, clearly that is what Dr. King has done. It is something all blacks can be proud of, all men can be thankful for. His goal was the mountaintop; his struggle was in the streets; his legacy is in the hearts and souls of countless Americans. On Monday, January 20th we'll celebrate his birthday, and give thanks that men such as he act on their dreams.

HECHTS
