Among the nation's most valuable natural resources are people who are committed to making their community a better place to live. Recognizing community needs, they apply their time, their talent and their energy to achieve seemingly impossible goals.

THE KOOL ACHIEVER AWARDS program seeks to honor those adult achievers, early in their careers, who are already making an outstanding contribution to inner-city communities.

Often these individuals do not receive the recognition they so richly deserve. These are the kinds of people the Kool Achiever Awards program is looking for.

Our efforts are being supported by such organizations as the National Urban League, Opportunities Industrialization Centers of America, The National Newspaper Publishers Association and others.

If you know someone who should be nominated, contact us by April 30, 1986 through the local chapter of any participating organization or write to: KOOL ACHIEVER AWARDS, P.O. BOX 35090, Louisville, Kentucky 40232.

THE KOOL ACHIEVER AWARDS are our way of paying tribute to one of our country's most valuable natural resources...individuals who strive to make their community a better place to live.
