He used to be several years younger than his sister, Amanda, who, when I last saw her on screen, appeared to be younger than Matthew. Can you explain this? — A.B., Prince Albert Island, Sask.

A: It's true that Matthew is several years younger than his half-sister, Amanda. Matthew, now played by Daniel Dale, was aged for plot-line purposes when his father. Mitch Blake (played by William Gray Espy), returned to the story line. We haven't seen Amanda for many moons, but if, and when, she does reappear,
