FINE BRAIDS — Beautiful African model Sallie wears the undetectable interlocking braids.

professional women who want a relief from hair straighter ing chemicals? Are you read for this? BRAIDS. Yes,

stars Lisa Bonet, Janet Jackson, Natalie Cole, Jody Whatley and Shari Belafonte in common. You guessed it; they all are reported to be wearing braids.

sy over women losing their jobs for wearing braids, why would anybody recommend braids as a hair style alter-

According to Catherine Peay, owner of JUST BRAIDS (TM) in Silver Spring, Maryland, African-American women need to be educated about new alternative braiding techniques that allow for versatility styling and show no signs individual braids or rows of

fessional women can enjoy al without the braids showing

"By using the interlocking or what some braiders call lacing technique, the braids are hidden so that they can not be seen except by trained perceptive eye. Actually the technique is done in a manner similar to cornrows except that pieces of the hair extensions are left flowing outside of the braid to give a more natural look. At the front, the hairline is comple ly left unbraided and blended back into the rest of the hair.

While braids are not recommended for women who have recently had any form of gives the hair a chance to rest for women who do not want to continue after years of using

Catherine has found that grows out healthier and maintenance while wearing

The other secret that Catherine has discovered after 7 years of braiding, is the use of best quality human hair for the extensions rather than the synthetic hair frequently used by braiders.

Synthetic hair tends to be heavier, especially during the ummer, while human hair is lighter and offers more styling alternatives.

With human hair you can style the braided hair in all the latest styles, including curled or precision geometric cuts. Of course it's more expensive, but the results pay

From photos of various women wearing the interlocking style braids, and a look at Catherine's own hair, you just can't tell that the hair i

Many women come to Catherine for the interlocking braid and then go to their regular stylist for styling and cutting services.

Catherine and her husband Randy give braiding clinics for braiders who want to learn cornrows, microbraids (tinv individual braids), and interlocking (lacking) as well as the differences in working with human and synthetic

Catherine can also be reached for braiding or consultations at (301) 871-2459.

SALON NEWS

Congratulations to Janice relocated and finally reopened her Mirrors Salon on Harford Road after a lengthy battle with the Baltimore City zoning board over a zoning ordinance that prevents spot zoning in that area.

We applaud her stamina for persisting for a year and a half to accomplish her goal. She has been in her new location for 3 months now and is looking for talented operators to join her. Word has it that the new decor is loaded with mirrors and simply gorgeous!
