—Helping hand

(Continued from Page D1)

Agnes and the A.L.L.F. went to this home, befriended the mother by helping her to get clothing for the children, and helped her to obtain other basic needs.

Not only did they befriend the teen mother, they were able to counsel her. They found that her basic skills were lacking.

They taught her how to plan meals, they stood between her, the school, and the pediatrician, so that the children had all of their immunization shots for school.

They worked closely with this teen mother and taught her parenting.

As the teen mother grew out of her fears and gained self esteem, she began to volunteer in her community to help others as herself.

She gave her life to the Lord.

The Abundant-Living Love Fellowship understood that administering the word of God and not helping the people to deal with their daily problems would not be enough to challenge them to make a chance in their lives. This body works as Jesus did.

Agnes and her husband Charles work together in marital counseling. They do seminars free to the public. They have gone out to people's homes to counsel privately. They have had marital counseling in the own home.

Clearly I could see that Agnes W. Chambers was not just someone who was on committees without making a difference.

Being a caring and sensitive person that can be trusted, many of the works that she has been entrusted with are so sensitive that she could not share them with us.

Nevertheless, she wanted others to be encouraged and so, she was able to shed a little light on the call that God has placed on her life.

—A word of hope

(Continued from Page D1)

said, "I will lift up mine eyes unto the hills from whence cometh my help; my help comes from the Lord."

It's time to come out of the valley of self-pity and doubt. God doesn't want you walking around with your head down . . . Life up your heads, oh ye gates, and the King of glory shall come in.

Oh give thanks to the Lord! When all around your soul gives way, thank God that He is all your hope and stay. Don't wait until the battle is over, shout now!

I want you to see God being God in your life . . . I want you to see Him opening doors for you . . . I want you to see Him healing your body . . . I want you to see Him speaking peace to your mind. . . .

I want you to see Jesus filling every empty place in your life. I want you to see Him working miracles in your life . . . Oh thanks to the Lord, call upon His name!

Oh, how wonderful it is to call upon the name of the Lord. When you're down and out, just say "Jesus."

When you don't know which way to go and when you feel like giving up . . . and you feel like you can't hold on any longer, I dare you to just say, "Jesus."

Beloved, if God has ever done anything for you, you ought to tell somebody. . . . "Go tell it on the mountain; over the hills and everywhere.
