### By Bob Matthews

Just in case you haven't heard and we can't imagine such a happenstance, Wynton Marsalis will be at Morgan State University Friday, Feb. 17.

It is a part of the Performing Arts Series of the university, and fortunately, it is priced so that students with I.D. can afford to

Harrison-Blanchard

There is a tremendous amount of interest in Marsalis by his peer group, but all to many of them have not had the chance to see him in person.

After all, he is a big ticket peryoung people will turn out i cert will be held in the Murph

sions at the Famous during the LBJS residency there. Then too, he was here last

summer when he participated in [] Artscape—to tumultuous applause, we might add. Don't know whether or not Kazumi the group, but certainly hope so.
