

Before.

After.

Before the new Lotto Game, life was dull, boring and uneventful. Now life is more exciting than ever because a dollar can take you farther than ever. And winning can really change your life.

In the new Lotto Game, jackpots are bigger (average \$3 million) and your chances of winning are better because there are more ways to win.

So play today, and with a little luck, you won't ever have to stop playing.

Play Maryland's big new 6 of 44 Lotto Game.
