To the Honorable the Judges of Allegany County Court.
The Petition of James Twigg of Allegany County respectfully represents
that your Petitioner was duly elected and appointed by the Commis-
sioners of Allegany County at their August session in the year 1845
Collector of the State and County taxes in and for the County of
Allegany for the year 1845. That your petitioner duly gave his bond
with security approved by the said Commissioners for the proper discharge
of the duties as such Collector and that he took the oath of office, and
in all things complied with the requirements of the laws of the state
in relation to said Office.

That your Petitioner commenced and continued diligently to collect
the taxes due from the inhabitants of said Allegany County for the
said year 1845, but that he has failed to be able to collect all the said
taxes due and payable for the said year, within the time limited
by law for the collection of the same, and that there is still about
the amount of eight hundred dollars to be collected for the said year.
That your petitioner is unable to enforce the collection of said taxes
from those who have neglected and refused to pay the same for the
said year on account or by reason that the powers vested in such
Collector of taxes have expired, and he is therefore unable to enforce
the collection of the said taxes due and unpaid unless this Court
will extend the time for collecting the same under the provisions of
the Act of Assembly of 1820 Ch 48 entitled "An Act for the relief of the
Sheriffs and Collectors of the several Counties in this state" Your
Petitioner therefore prays your Honors to pass an order granting
and extending the time to your Petitioner to collect the said
Taxes for the year 1845 which are due and unpaid, for the space
of one year from the date of such order, And for such other and
further relief or the nature of his case may require.

May 8th 1847. James Twigg

In Allegany County Court. April Term 1847.
The foregoing petition of James Twigg Collector of State and
County Taxes for Allegany County for the year 1845, being read
and considered. It is thereupon this 8th day of May 1847 Ordered
and Adjudged by Allegany County Court that the time for

completing the collections of State and County taxes for the year 1845 and not paid shall be and the same is hereby extended to the said James Hogg as such collector, for the space of one year from the date of this order, and the said James Hogg is hereby authorized to exercise all the powers given him by law in making and completing such collections for the year 1845 which are still due and unpaid.

It was announced by William Price Esq; that intelligence had been received of the sudden death of Judge Thomas Buchanan from an attack of apoplexy at which he knew all shared a common sorrow. The remarks of Mr Price were as follows:

May it please the Court: It has become my painful duty to announce to the Court, the unexpected demise of the Hon. Thomas Buchanan, the senior Associate Judge of this bench. He died on Tuesday last, in his carriage, on his return home from Hagerstown, where he had on the same day heard arguments and decided causes on the Equity docket of Washington County Court.

I am not, Sir, in a frame of mind to indulge in any extended course of remarks on this melancholy occasion. I am addressing those who can well understand me, when I say, that Judge Buchanan was

no ordinary man. Possessing a character of extraordinary beauty, it was still a peculiar strength, a peculiar beauty. He presented a rare union of a stern and uncompromising tenacity of purpose, with the utmost benignity of manners and kindness of heart. No man ever dared to expect from him an unworthy compliance, while no one in an honorable pursuit ever appealed to him for advice or assistance in vain. To the younger members of the bar, he was more than a friend - he was a father. To the grey heads of the profession he was an example of all that was pure and dignified and beautiful in life.

Endowed by nature with a mind of uncommon vigor, he attained early in life an enviable distinction among the eminent men who at that period graced the bar of his native state. It was with such men as William Penckney, Luther Martin, John Thompson Mason, Arthur Shaaf, John Johnson, Philip Barton Key, and others of like eminence that he became a competitor and it is sufficient to say not an unsuccessful competitor, for the honors and emoluments of the bar.

In 1815 when at the age of 47 he retired from the strifes of the forum, to the large estate in Washington County, which his professional earnings had already enabled him to purchase, where he soon became known as one of the most distinguished and successful farmers in Maryland. The seat on the bench which he accepted at the period of his retirement from the bar was the recreation of his riper manhood as it became the solace of his declining years. It is, Sir, in token of respect to the memory of such a man that I now ask this Court to adjourn.

This motion was responded to by Judge Martin in a brief and eloquent eulogy upon the deceased, and by an immediate adjournment of the Court.

The Court having adjourned, Mr Price then moved that the bar and all others present should resolve themselves into a meeting for the purpose of adopting such proceedings, in consequence of the melancholy event, as would be most grateful to their feelings, which motion prevailing, the meeting was organized by the appointment of Judge Martin, Chairman, and A. M. Semmes Secretary.

Upon the further motion of Mr Price a committee of five was then appointed by the Chairman to prepare suitable resolutions for the occasion, to be reported to the meeting. The following gentlemen were appointed the committee: -

William Price, A. M. Semmes, Tho S McKing, Tho Perry, and Geo A Pearce.

To enable the committee to have time for consultation, the meeting was adjourned until tomorrow morning at 10 o'clock.

Saturday morning at 10 o'clock, the bar and others met according to adjournment, and the committee reported the following preamble & resolutions.

The members of this bar have learned with unfeigned grief, of the sudden death of Judge Thomas Buchanan. In this afflictive dispensation, each one of us feels that he has been deprived of a valued, and venerated, personal friend. The seat on this bench which has been vacated by this melancholy event, was filled by him when the oldest among us came to the bar, and although, in the course of nature, the postponement of his demise, for any considerable period, was not to be expected, yet his loss was not the less unexpected and afflictive on that account. To his learning, his experience, his wisdom we were accustomed to resort in all cases of professional

difficultly we applied to him habitually for advice and instruction, as children to a father. To possess his esteem, was something to be proud of. His high integrity, his unblemished honor, the strength and mildness of his character were an example for us all. Of his eminence as a jurist, and his impartiality as a judge we need not speak, they were known and appreciated by all men of all parties. Without therefore, any parade of words, but in the unaffected sincerity of our hearts, we unite in adoption of the following resolutions.

Resolved, That this meeting have heard with the most lively sorrow of the death of the Hon. Thomas Buchanan, the senior Associate Judge of this Court.

Resolved That in the death of Judge Buchanan our Court has sustained a loss which cannot easily be repaired; that in him was exemplified the character of the perfect Judge, able, honest, upright and at all times kind and impartial; he it was who never failed to administer justice in mercy.

Resolved. That no man was more universally beloved and respected than the deceased amongst all classes of men, though strong and decided in his character yet such was the unaffected goodness of heart, and his affability and evenness of manners to all, that none ever liked him the less for differences of opinion whether legal, political or social.

Resolved That a copy of these proceedings be transmitted by the chairman of this meeting to the family of the deceased, accompanied by the expression of our sincere condolence in the afflicting bereavement.

Resolved That the proceedings of this meeting be respectfully presented to Allegany County Court now in session, with the request that the same be entered on its minutes.

Resolved That these proceedings, signed by the chairman and attested by the Secretary be published.

The preamble and resolutions, after having been commended by all present and unanimously adopted and the meeting adjourned.

S. M. James. Sec. R. M. Martin Chair. or

Saturday Oct. 2nd The Court met.

Present the Honorable Robert M. Martin Chief Judge
Moses Rowlands Esq. Sheriff Henry Bruce Esq.

Mr. Bruce, pursuant to the instructions of the meeting asked leave to have the proceedings and resolutions of the bar spread at length upon the minutes of the Court. Judge Martin responded to the motion as follows:

It is scarcely necessary to say in reply to the motion just addressed to me, that I sympathize with the bar in their profound sorrow for the death of my honored Associate the late Judge Thomas Buchanan, and concur in all they have said, evincive of their admiration of his character, both judicial and personal. As a Judge, he possessed, in an eminent degree, all those qualities and accomplishments which ought to distinguish the judicial station for he was able, faithful, just, firm and learned. And the virtues that adorned his private life; his exalted honor, the kindness of his feelings, his elevated sense of justice urbane deportment, and great decision of character, commanded the admiration and confidence of all to whom he was known.

I sincerely feel his loss and deeply lament it, and shall direct the proceedings of the bench and bar to be entered upon the records of the court as a tribute of respect to his memory, and as commemorative of the affection we have all cherished for him.
