N<sup>o</sup> 2481 Equity. In the Circuit Court for Frederick County, sitting as a Court of Equity  
The separate answer of William Pool, Trustee of William Abrecht to the Bill of Complaint of the Complainants, in this case - filed against him - This Respondent, admits the facts, as set forth in said Bill to be true, as therein stated, that the said George Abrecht, died intestate, seized and possessed of the Real Estate in said bill and exhibits mentioned. That the said Real Estate is incapable of advantageous division among the parties entitled thereto. That it would be greatly to the advantage & interest of all the parties, concerned, to have said Real Estate sold & the proceeds thereof divided among the proper parties. That the said William Abrecht, one of the heirs, all of whom are properly stated in said bill became an applicant for the benefit of the Insolvent Laws of Maryland, and that upon such application, your respondent was appointed his Trustee that as such, the undersigned, executed, bond for the faithful discharge of such Trustee, and fully complied with what was required of him as such Trustee this Respondent believes that the sooner a sale of said Real property, is effected the better, he therefore asks that your Honorable Court will pass a Decree, for the sale of the same, and that said Case may be acted on immediately
