341 One-half torn & others now shown you to which the name of W Thomson as President of The Harpers Ferry Savings Institution is signed, and the name of Joseph G Hays as the Treasurer of said Institution are signed are you acquainted with the hand writing of said Thomson and said Hays if yes and their signatures to said certificates genuine and in their respective hand writing

2^d Interrogatory Look upon the same Certificates of deposit now shown to you, & numbered as set forth in the first Interrogatory to some of which the names of A Rhuleman John A Schaffer A M Kitzmiller J M Bass Henry Ward W Chambers F W Stephens J L Russell & others are signed in the Body of said certificates and also endorsed on the same are you acquainted with and do you know the hand writing of each, or any, and if any how many of said persons and if you know the hand writing of any of said persons please name them, and say whether their names so signed or written on said certificates are in their own respective hand writing and are their respective genuine signatures - signed and written by each of them respectively

3^d Interrogatory Do you know whether the said Thomson, who signs his name as President of said Institution, was acting as such and the said Hays who signs his name as Treasurer of said Institution was acting as such at the times the said certificates - Respectively bear date, and were held out to the Community and Recognized by said Institution? state your knowledge hereof fully and at large

4th Interrogatory Do you know that similar Certificates of deposits as those now shown to you, were issued and redeemed by said Institution, about the time of the Respective dates of said Certificates so shown to you at this time of your Examination? If yes state your knowledge thereof fully, and at large

5th Interrogatory Do you know any other matter or thing relevant to the matters in issue in this case - that you think would be of any benefit, or advantage to the defendants? If yes state your knowledge of the same fully & at large

J. K. Schley, Sol. for Defs

Cross Interrogatory

1st If you had been Treasurer of the Harpers Ferry Savings Institution, feeling a degree of Confidence in its Solvency is it probable that you would have kept quite a large amount of these notes after the Institution had ceased as such but whilst a large number of their notes had, not been redeemed

Wm J Daugherty

Interrogatories to be propounded on the part of Complainants, to Witnesses produced before the Commissioners this 23^d of February 1853
