Frederick Schreder objects and excepts to the ratification of the auditor's Report heretofore made in this cause and shows to the Court very the following reasons why said auditor's Report should not be ratified 1st Because the auditor's report was made and filed on the 15th day of May two days previous to the expiration of the notice given by the auditor to creditors to file their claims with the Clerk of this Court. 2nd Because such a proceeding deprives creditors of part of the time allowed by said notice to bring in their claims and he desires the Court to remand said case to the auditor to state and file a new account and allow additional time to creditors

Frank Schreder

N^o 2971 Equity It appearing to the Court in this case that the audit was filed and the order passed on the 15th day of May 1861 and that the auditor's notice to creditors did not expire until the 17th of May thereby depriving creditors of part of the time in which to bring in their claims It is ordered by the Court this 21st day of May 1861 that the exceptions to the audit filed by Frederick Schreder be and the same is ruled good and that said case be remanded to the auditor to state a new account giving a new the usual notice to creditors
