No. 3803 Equity -
In the Circuit Court for Frederick County
in Equity.

To the Honorable the judges of the
Circuit Court for Frederick County, in Equity.

The Petition of Lewis Crawford Trustee appointed by the Decree in this cause to sell the Real Estate in the proceedings mentioned respectfully shows to your Honors that in execution of the authority vested in him by said decree he did on the 29 day of March 1873 sell unto a certain L. A. Wascle of Frederick County a parcel of said Land decreed to be sold consisting of a tract of Land being part of Piney Mountain situate in Frederick County State of Maryland containing Two hundred and seventy Nine Acres and Fourteen Perches of Land and which is fully described in the deed from John C. Eyles to Benjamin Willhite a copy of which is Exhibited in said proceeding marked Exhibit L. A. W. at and for the sum of one dollar and seventy cents per Acre amounting in the aggregate to Four hundred and seventy four dollars and forty cents which was to be paid on the day of sale or on the ratification thereof by this Court and that said sale has been duly reported to and ratified by your Honorable Court as by the Report of Sales and the proceedings thereon will fully appear And your Petitioner further charges that the said L. A. Wascle has paid no part of the aforesaid purchase money although he has had notice of the ratification of said sale so made to him as aforesaid and has been required by your Petitioner to pay the same. Your Petitioner therefore prays that the said L. A. Wascle may be compelled by decree or order of this Court to pay the aforesaid purchase money with interest
