"I look at the paper Exhibit No. 5 and know the handwriting of the signatures, the paper was signed by Thomas Johnson and Edwin M Johnson the parties to this suit and I witnessed it at their request". To the 3rd "I look at the paper Exhibit No. 3 and the award added thereto Thomas Johnson and Ezra M Thomas brought the agreement part signed by them to myself and Andrew Keeler and asked us to settle the dispute about the ownership and value of all Articles of personal property claimed by Thomas Johnson and Edwin M Johnson of each other and to fix the sum to be paid and we allowed Thomas Johnson \$90. and added it held as it appears." To the 4th. "I have known the property a great many years, have lived it a long time it is worth about \$100.00 per acre and has been for many years, it is very desirable farming property and readily salable. If the property had been offered at Public Sale since April 6th 1868 being else at hand or much effort had been made to sell it, I should have known it no manifest effort has been made to sell it".
