

filed in case No 4020. Equity of your Honorable Court which was a case involving the same estate and the same interests as the above entitled. That said case went to Court of Appeals of Maryland which Court made no disposition of the costs either above or below. Your Petitioners further show that subsequently the complainants in case No. 4020. Eq. above named that case and filed the Bill in this case. That both cases were bills filed by creditors. That the sale of the Real Estate has been made under the decree in this cause and finally ratified and an Audit is about to be made in this cause. Your Petitioner further shows that there is a large amount of costs in each of said cases and that said costs are due to so many different parties that it is desirable that an audit should be stated of the costs alone and not in a general Audit. Your Petitioner therefore prays your Honorable Court to pass an Order authoring and empowering the Auditor in this cause to state an Audit of all costs both in this cause and in case No. 4020 Equity both in Court of Appeals and in this Court. and your Petitioners will ever pray, &c.
