To the Honorable the Judges of the Circuit Court for Frederick County, sitting in Equity.

In this Audit I have charged the Receivers with the amount of funds arising from sales of Real and personal estate and collections of debts due the firm of J. E. Cartz and after & Son as reported. I have then allowed them vouchers, taxed costs, and usual Chancery Commissions on the whole funds, as directed by the Court, then applied a sum sufficient to pay the Mortgage claim in full and distributed residue amongst the Creditors, whose claims were filed duly authenticated, without priority or preference.

Nov 18th 1879
