Petition of Trustees

The Petition of Mary A. Smith and Joseph G. Miller, the Trustees, appointed by the decree in the above case to sell the Real estate decreed to be sold, respectfully shows unto your Honors that they offered at Public Sale to the highest bidder, the Farm described in Exhibit No. 3, at the same time the balance of said Real Estate was sold, as stated in the first Report of Sale, but failing to receive an adequate bid for said farm, they did not sell the same, and have since made several ineffectual efforts to sell said farm; that said farm has been occupied and is now occupied by your Petitioner Mary A. Smith, and her family; that due and reasonable care and diligence has been exercised in the care and management of said farm, that on the night of September 30th 1880 the barn on said farm was destroyed by fire together with its contents; that there was a policy of insurance on said barn for the sum of Twelve hundred dollars, and your Petitioners pray your Honors to authorize them to collect said insurance money, & expend the money derived from said policy in the erection of a new barn to replace the one destroyed, and that they may have all other relief to which they may be entitled.

And as in duty bound I
