

No. 4411 Equity.

Ans. Ten acres and a half, (10 1/2)

145th Int. When did you sell your personal property?

Ans. Last Spring, three years.

146th Int. Whose personal property was it?

Ans. Part was mine, and part my wife's.

147th Int. What part was yours?

Ans. Part of the cows and part of the horses, and part of the wagons; I had one wagon, and she had one; she had four horses, and I had two, and I had four cows, and I had six.

148th Int. Who owned the farming implements?

Ans. I did what little was of it.

149th Int. In whose name was the property advertised?

Ans. It was advertised in my name.

150th Int. Who got the cash, and in whose name were (name were) the sales notes taken?

Ans. I got the cash, and the notes were taken in my name.

151st Int. What did you do with the notes, and did you sell any of them?

Ans. I took and paid debts as far as they went; James Kelly gave me the money on the notes, and these were all that were sold, and that money went in paying debts.

152d Int. Did you sell any to a man named Adelsberger?

Ans. No, I didn't sell any to him; he took the notes as money.

153d Int. How much did the sale amount to?

Ans. A little over 1,000 \$, either 1,050 \$, or 1,070 \$.

(Excepted to)

154th Int. To whom did you pay it, or any part of it?

Ans. Josiah Adelsberger got some—over three hundred dollars, (300 \$,) Alloysius Omdorff, my brother, bought some of them, and he kept it—about 400 \$; the other, I guess was dribbled around; I don't know who got it.

155th Int. Whose debts were these you paid?

Ans. They were our debts.

(Excepted to)

156th Int. Tell us what your brother's claim was for, and Adelsberger's?

Ans. I don't know exactly what it was for; I couldn't say whether it was our debt, or my debt; Adelsberger went my security and paid the debt, and we gave him the sale notes to pay him?

(Excepted to)
