Upon the foregoing Petition it is ordered by the Court this 19th day of May A.D. 1884 that as it certainly appears that the Auditor in stating the account in this case made a clerical error by which \$100- was distributed by said Audit more than the Trustee had funds in hand, and that the distribution stated in the foregoing petition is correct. the Trustee is therefore directed to pay out the trust funds according to the corrected distribution stated in said petition
