4th Ans. He did leave heirs at law as follows: A daughter Hannah C, the wife of William J Martin both residents of Frederick County. A daughter Sarah Towell, the wife of William Towell both residents of Washington County, Md. A daughter, Mary Mast, the wife of Frederick R. Mast both residents of Frederick County. A Son Johnson J Pusey married to Emma L Pusey who were residents of New York City in the State of New York. The said Johnson J Pusey has died since his father leaving Emma L Pusey his widow and George Thomas Pusey an infant under twenty one years of age and another child recently born whose name, I have been informed by members of the family is Johnson Jackson Pusey. These children are both infants and reside with their mother in New York City. Her age is about thirty years. All the other parties to this suit are adults

To the 5th Inter

5th Ans. He left a widow named Maria Pusey whose age is about seventy four years and who resides in Frederick County

To the 6th Inter

6th Ans. He left real estate situated in Frederick County containing about 22 acres. I look at Exhibits No 1 & 2 now shown me and they do describe the same. It is worth about \$90. or \$100 = per acre.

To the 7th Inter.

7th Ans. Said real estate is not susceptible of division among the parties in interest, without loss and injury. I think it would be to the interest and advantage of all the parties infants as well as adults to have the same sold and the proceeds divided among them, because the property is so small to be divided at all and by venturing it it will decrease in value

To the 8th Inter.

8th Ans. I heard Mr Frederick Hankey say that he had bought the property for \$3100⁰⁰ and that he paid the widow \$100⁰⁰ on it.

To the 9th Inter

9th Ans. I think that amount is a fair and good price for the property and as much as could be obtained for it, that that is the outside cost, and that it would be to the interest of all the parties infants as well as adults to have said sale ratified and confirmed

To the 10th Inter

10th Ans. I know of nothing further.
