To the 6th Inter

I look at Exhibits A & B to the Bill of Complaint. I know the lands therein described and it is situated in Urbana District in Frederick County Maryland.

To the 7th Inter

7th Ans. I think it would be to the decided advantage of all the parties interested in said real estate to have the same sold for the reasons that the land and improvements are both depreciating by having no one to cultivate it properly and to keep it up and look after it and besides it is the only way it could ever be divided among them to any advantage as there is not land enough for six of them.

To the 8th Inter, required by rule No 89

8th Ans. I know of nothing further

Signed

John D. Adams
