

No. 5043 Equity

7th A Son Jeremiah R Gaver who is a nonresident of the State of Maryland. I know he went that about four years ago since which time I have not heard from him and none of the members of our family have heard from him for about two years ago.

All of which seven children are adults and over the age of twenty one years, and all these seven children are the same persons named as devisees and legatees in the last will and testament of said Joseph Gaver deceased

To 8th Inter

8th Ans. I am acquainted with his handwriting of Joseph Gaver he is my father, I look at exhibit A shown me, the signature there to, as attached is his genuine signature

To 9th Inter

9th Ans. He left some personal estate, worth about \$2000⁰⁰ and the debts against his estate are largely in excess of that amount and the Personal property is therefore insufficient to his debts

To 10th Inter

10th Ans. I know the defendant Mrs Margaret Schaffer has a mortgage on the farm for \$2200⁰⁰ which is unpaid, and that there is some interest due it.

To 11th Inter

11th Ans. It would be to the interest and advantage to all parties to this cause, to have the Real estate sold at once, as soon as possible because it would bring more money at this season of the year, if sold than if sold later because there would be no body to pick out the Spring crop, and farms are more in demand at this season of the year than in the summer.

In my opinion, a farm that is untilled for one season is always more unsaleable than if the proper rotation of crops is kept up

To the Court Inter

Court Ans. I know of nothing further.

George W Gaver

Witness my hand this 15th day of February A.D. 1880.
