To the Honorable the Judges of the Circuit Court for Frederick County sitting in Equity. - In this account I have charged the Trustee with balance of trust fund on hand after allowance of amount paid, not as ratified in the first Audit in this case and the interest since reported. I have then allowed him the additional cost and expenses including fee to W. A. Arner and cost of Notice to Creditors. I have then allowed all claims in full filed against the estate to date by instructions of the Trustee and distributed the residue among the heirs.
