

No 5226 Equity.

Store property was offered. I don't just remember what it started at but there were 3 or 4 parties bidding on the property and Mr. Hill was bidding on it for Mrs. Todd. I believe, and it was knocked down at \$916. Mr. Hill, and Mrs. Rogers, started to the house, and what was said, and done up there. I know nothing off. This was all I know till Mr. Hill, Mr. Rogers, and Mr. Todd, came back. Mr. Rogers got over the fence and said to Mr. Hill the Auctioneer, buy out that property at \$916. The Auctioneer, said, "The property at \$916." Mr. Rogers then said "Mr. Hill knock the property down to me" and they immediately got into their carriage, and drove off.
