

No 5124 Equity

Magnuder, the child of a deceased daughter, whose residence I have also given as well as I know it.

7th Int State whether the husband of the said Elizabeth Hill is living or dead?

7th Ans He has been dead a long time -

8th Int. State whether the said Elizabeth Hill died seized and possessed of any real estate? If yea state where it is situated, what it consists of, and its value Look at Exhibit No. 1. and state whether said real estate is jointly owned therein

8th Ans She died seized and possessed of real estate situated near Johnsville in Frederick County. It consists of a house, and about an acre of land worth about \$2500. Look at Exhibit No. 1 now shown me, and that describes it.

9th Int State whether the said real estate is susceptible of division among the above named heirs, at law without loss and injury and whether or not it will be to the benefit and advantage of all the parties interested therein, adult and Infant, to have the same sold and the proceeds divided and give your reasons therefor? It could not by any possibility be divided among them without loss and injury. I think it would be to the benefit and advantage of all the parties interested, adult and infant, to have the same sold and the proceeds divided, because of the small size of the lot, and the number of persons interested and the fact that there is no person sufficiently interested in it to take care of it.

To the Gen. Inter by the Examiner - I could not. Daniel F Strasburg.
