

No. 5071 Equity

of Frederick County. (7) He also had another daughter named Ellen who died before Ephraim Gaither her father leaving at the time of her death two children named Miranda Gaither and Florence Butler the Infant Defendants in this case They are both Infants and residents of Frederick County Ephraim Gaither left about 2 1/2 acres of Real Estate in Frederick County and left no will. I look at "Exhibit A" now shown me and it describes the Real Estate of Ephraim Gaither deceased. The said Real Estate cannot be divided among all these children and Grand-children without loss and injury thereto It would be to the interest and advantage of all of them to have it sold and the proceeds divided among them because it is too small for division among them and it will have to be sold also to pay his debts
