

No 5587 Equity.

4<sup>th</sup> Int. Did the said Charlotte E. Long die seized and possessed of any real estate in Frederick County? If yes, describe the same give its value and look at Exhibit No. 1. Now show you and state if that describes the said real estate?

Ans She did. It consists of a dwelling and store room combined situated in Middletown in said County worth about \$2000 - I look at Exhibit No 1 and that describes the said real estate

5<sup>th</sup> Int. State whether or not said real estate can be divided among said parties in interest without loss and injury thereto and whether or not, it would be to the benefit and advantage of all the parties, infants as well as adults, to have the same sold and the proceeds divided? State your reasons for your answer?

Ans It can not be divided among the parties in interest without loss and injury thereto because it is town property and will not admit of being divided into so many small parcels. I think it would be to the benefit of all to have the same sold and the proceeds divided among them because it is not a paying investment as it now stands

To the Gen. Int. by the Examiner
