2x Int. Do you know by whom the "Copy" of Exhibit C. O. was brought to the Clarion Office?

3x Int. From whom did you learn of the fact of the dissolution of the partnership? At this distant day I would only be able to say from general report or publications in the "Clarion".

4x Int. Have you any other means of information further than those given in your answer to the 3x Int. of what the terms of the dissolution were?

6x Int. Can you state positively that you heard it from either of them and if so from which?

Ans. No Sir,

7x Int. State whether or not the Mortgage given to you by the Wanches was given before or after April 1873 and by whom that Mortgage was signed?

8x Int. Had you at that time heard of the dissolution and read the adv. in the "Clarion"?

Ans. Naturally I suppose I had, I cant recall the fact.
