aquitts residing in Frederick County.  
Susan Harbaugh was another of said tenants in Common,  
she was married to Dr. David Parick. She is now a widow  
an adult and lives in the State of Pennsylvania.  
I am acquainted with the land described in these proceedings  
I look at Exhibit A now shown me and that describes  
said land, It is a tract of Mountain Land containing about  
121 acres and worth between one and three dollars per acre.  
The said land cannot be divided among the parties in  
interest without great loss and injury for the reason that  
the parties are too many and the value of the land too small.  
It would be better to sell the land and divide the proceeds
