

No. 6011. Equity

The obtained by deed from the other Sister Mrs. Julia H. Pe. said Real Estate is improved by a two story dwelling house stable and outhouse and other outbuildings all of them in this condition, I would say it was worth about \$1000, though I doubt whether it would bring that much at public sale, I look at the Exhibits Nos. 1 and 2 and they correctly describe the property.

Q^d Int. State whether the above real Estate is susceptible of division among the above named heirs - at law if the said Mrs. Sophronia Gonsuch, without loss and injury, and whether or not it would be to the benefit and advantage of all the parties interested therein, adults and infants, to have the same sold, and the proceeds divided among them?

Ans. your reasons for the same.

Ans. The property is not susceptible of division without loss or injury, I do not think it could be divided among them, it would be decidedly better to have the property sold and the proceeds divided. My reason for saying it is not susceptible of division is because it is a town property and could not be equally divided among all the parties.

Q^d Int. State by the Examiner
Ans. That is about all.
