of age. I reside at New Midway the County I know all the parties to this Suit except James R. Miller. I am not acquainted with him. I look at Exhibit No. 1. to the Bill filed in this cause and I am well acquainted with the farm therein described. I live less than a mile from it. It is in Frederick County. I knew Amanda Weisberg one of the grantees named in said Exhibit #1. She is dead. She died intestate in the year 1902. She left surviving her, a husband James L. Weisberg one of the defendants in this cause who is an adult residing in Frederick County, Maryland and two infant children as her only heirs at law. Ethel Weisberg and Harry Weisberg who also reside in this County with their Father. I was not present at the making of the Sale of the farm described in Exhibit #1. to Mr. Dudley, a. Richardson, but I am informed that the price agreed to be paid was \$5200.<sup>00</sup> which I regard as a fair and full one for the farm in question. I think it would be to the advantage of the said infants as well as the adult Co-owner of said farm to have said Contract of Sale ratified and confirmed by the Court for the reason that the price is as good as could be reasonably expected to be obtained for it, and the almost inevitable depreciation in value which would ensue.
