

No. 7866 Equity.

Had she been living there? -

Ans

She lived with the Plaintiff, Mr. B Frank Taylor in Woodboro' and she had been living there for about 20 years

6th

Who boarded her and waited on her and took care of her during that period of time? -

Ans

Why Mrs. Taylor boarded her & and the whole Taylor family waited on her.

7th

Was she afflicted in any way during that time or any portion of it? If so how? -

Ans

She suffered from a very bad cough, attended with a shortness of breath, and hawking & spitting, that was very disagreeable and she was so afflicted during this whole period, and frequently during the night this cough and the attending shortness of breath would require some member of the family to go to her and wait on her.

8th

What in your judgment would be a fair charge per month for her board and the attention which she required, during the period above named? -

Ans

I would not have liked to to have boarded and waited on her for less than (12) dollars for month.

9th

Who made the repairs and did the necessary work in and about repairing & keeping up the property above mentioned during the last 15 or 20 years? -

Ans

Mrs Taylor always did them

10th

What property did Mr. Taylor live during the time you named? -

Ans.

In the property above mentioned belonging to Mrs. Sarah A Snyder.

11th

What you say \$12.00 per month would be a reasonable charge for the board & attention given her, do you mean \$12.00 per month including rent for the occupation of the property or should the rental value of the property be deducted from the \$12.00 per month mentioned? -

Ans

I just meant 12.00 per month not including rent of the property.

12th

What was the fair rental value for the occupation of the property? -

Ans

Fifty-dollars per year, that is what we find when we look in it.

13th

You now live in a portion of the property above mentioned, I believe, is that correct & if so how long have you lived there? -

Ans

The house is a double house and we have lived the one half 2 years and then exchanged with Mrs Taylor, & we have been living where we are now in the
