Do you know whether or not Mrs Sarah A Snyder during the time she lived with Mrs. Taylor or any portion of it pay them for her board & the attention given her or for money or labor expended by him in and about the repairing of the property.

Ans

She did not pay him anything for her board and the attention they gave her. She said she did not know at that time anything to pay them with but that he was to be paid for her board and for waiting on her after her death. She said she did not know how long she would be sick and have to be waited on. She said all she had was the house and he was to be paid out of that. She said she had \$100<sup>00</sup> in the tempete stock, and that would pay her funeral expenses and get her a tombstone she never paid Mrs Taylor for any work that he done that I know of.
