death & how long had she lived there?

Ans

She lived with the Complainant Mr. B. Frank Taylor in the property which she owned at Woodboro' and she had been living with him at least 20 years before she died.

5th

Was she in any way afflicted at the time of her death, and if yes & for what length of time had she been so? & how?

Ans

She had a Cough and had been so afflicted at least 20 years before her death, she expectorated a great deal and had a Shortness of Breath & hoarseness and spit a good deal and it was very disagreeable and at night would frequently require the assistance of some person. I lived in a portion of her house for 6 years and am acquainted with her ailments and troubles.

6th

Who boarded her, waited on her & took care of her during the last 20 years of her life?

Ans.

Mr Taylor the Complainant boarded her, & he & his family waited on her & took care of her.

7th

What in your judgment would be a fair charge per month for her board and the Attention she required & which was given her, during the period above named?

Ans

I think \$12.00 per month would be very reasonable.

8th

Who made the necessary repairs to the property in the past 20 years?

Ans

Mr. Frank Taylor did all that has been done.

9th

When you say \$12.00 per month would be a reasonable charge for the Board & attention, do you mean \$12.00 per month including rent of House or excluding it?

Ans

I mean \$12.00 per month in addition to the House rent.

10th

Do you know whether Miss Sarah A. Snyder during the time she lived with Mr Taylor paid him for her board & attention given her or for the money & labor which he expended in keeping up the property?

Ans

She didn't pay him anything while I was there. She told me he was to be paid after her death out of the property.

11th

Look at Exhibit "b" to the Bill now show you and state whether in your judgment and to your knowledge the charges therein set forth are correct and the prices charged are reasonable?

Ans

I look at Exhibit "C" so far as I know it is all right.
