

NO. 4885 Equity

Surviving him four children who are all of age at this time, their names are as follows - Lelara and Mary and George and Frank. I don't know whether they are married or not the last time we heard of them they were living in Philadelphia Penna. My Sister Margaret Custard owned, at the time of her decease an undivided one third interest in the house and lot of ground on the North Side of West Patrick Street, Frederick City Maryland which is fully and correctly described in Exhibit #1, filed in this cause. The said house and lot is worth about \$2500<sup>00</sup> and it is not susceptible of division or partition amongst all the parties in interest without law and injury and it would be to the interest and advantage of all the parties concerned to have this property sold and the proceeds divided amongst the parties entitled according to their respective interests therein.
