

NO. 4375, Equity.

acres of land. It is the same described in Exhibit A, now shown me, and is worth free encumbrances about \$7000 and if sold subject to the widows dower, it ought to bring \$500. or more.

Said real estate is not susceptible of partition or division without serious loss and injury to the parties, because the lot is too small for division, and there is only one source of water supply, which is right at the house and not advantageous division could be made and none without loss and injury.

To the Hon. Jus. by the Examiner
I know of nothing further
